AVIS DU GOUVERNEMENT

LA COMMISSION DU TARIF RÉFÉRENCE N° 108

Appareils et outillages photographiques

LA séance publique tenue le 31 janvier dernier fut suspendue afin de permettre à un comité représentant les intéressés d'examiner soigneusement certaines suggestions faites en vue de la révision du numéro 462a du tarif et des autres articles s'y rapportant.

La Commission du tarif a reçu de ce comité un rapport dont le texte est donné ci-dessous et qui est proposé comme base pour la rédaction du nouveau numéro du tarif—ou de nouveaux numéros, selon le cas:

"Appareils photographiques et leurs pièces achevées pour faire des négatifs et des positifs de 3½ pouces sur 4½ pouces et plus, et les accessoires suivants: lentilles, obturateurs, télémètres assujettis à l'appareils, châssis pour pellicules et plaques, magasins, planchettes pour lentilles, chariots pour verre dépoli, corps arrière réducteurs, parquets d'adaptation réversibles, accessoires pour diapositives, gaines pour pellicules, châssis pour papiers et plaques, étuis et trousseaux, pieds pour appareils, pieds à trois branches pour appareils, ayant une valeur imposable d'au moins \$35, filtres colorés et châssis pour ces filtres, écrans polarisateurs, châssis pour écrans polarisateurs de 2 pouces de diamètre ou plus, appareils à tirer par contact et appareils à tirer par projection connus sous le nom d'agrandisseurs, avec accessoires pour tirage de clichés en couleurs et dispositifs fournissant une lumière froide ou autre et pièces achevées de ces articles, chevalets et pieds d'agrandissement pour formats de 8 pouces sur 10 pouces ou plus, dispositifs de réglage de la température et réchauffeurs de solutions photographiques, séchoirs de pellicules et de photocopies, y compris la forme motrice, presses de montage, cuves de lavage, machines à équarrer les pellicules et les photocopies de 10 pouces et plus, appareils automatiques de développement, de fixage, de lavage et de dessiccation de pellicules et de papiers, presses à redresser les photocopies, appareils photographiques, électriques ou électroniques, pour déterminer le temps de pose dentitomètres, châssis-presses, cuves, cuvettes pour développement, fixage, lavage et dessiccation de clichés multiples et les appareils électroniques à grande vitesse pour lumière-éclair, destinés à être synchronisés avec les chambres noires.

—En franchise en vertu de
tous les tarifs.

"Le texte de ce numéro fait disparaître toute distinction quant à l'utilisation des marchandises à la question de leur "fabrication au Canada", ce qui devrait simplifier l'interprétation douanière. Autant que nous sachions, tous ces articles sont d'une catégorie ou espèce non fabriquée actuellement au Canada.

"Le numéro du tarif proposé omet certains appareils et accessoires présentement classés sous le numéro 462a du tarif et, si nous comprenons bien, ces appareils et accessoires seront automatiquement classés sous les numéros 462(i) et 462(ii). Actuellement, les appareils d'éclairage et ampoules pour lumière-éclair, qui sont à proprement parler des articles photographiques, sont classés pour fins de douane sous d'autres numéros du Tarif, v.g., dispositifs d'éclairage et pièces de ces articles, pistolets pour lumière-éclair et ampoules photographiques pour lumière-éclair, y compris les ampoules pour lumières dites "strobolytes". Nous recommandons qu'ils soient assujettis aux droits prévus par le numéro 462(i) du tarif."

Avis est donc donné que le rapport dudit comité sera reçu et étudié à une séance publique qui sera tenue dans la salle des conférences, au 4e étage de l'édifice Confédération, à Ottawa, le jeudi 23 février

1950, à 10 heures du matin. Les intéressés pourront alors discuter les recommandations du comité, ainsi que tout autre sujet s'y rapportant.

Le secrétaire,

JAMES R. MACGREGOR.

LA COMMISSION DU TARIF

RÉFÉRENCE N° 109

*Enquête relative aux "Plastiques", y compris
les résines synthétiques.*

LE 22 mars dernier, le ministre des Finances a prié la Commission du tarif de faire enquête sur les produits inclus dans la désignation générale ci-haut mentionnée, en vue de dresser une liste tarifaire révisée et plus compréhensive pour insertion dans le Tarif douanier canadien.

Une enquête préliminaire de la Commission a révélé l'opportunité d'indiquer clairement les numéros actuels en cause de la Liste tarifaire, afin que les intéressés saisissent bien la portée de l'enquête. Dans une lettre en date du 11 du courant, le ministre des Finances mande à la Commission ce qui suit:

"Une étude du Tarif douanier semble indiquer que votre Commission devrait restreindre son enquête aux numéros suivants de la Liste "A" du Tarif douanier, que j'ai classés sous les en-têtes suivants:

I. Positions du Tarif portant directement sur les résines synthétiques et les plastiques et qui seront vraisemblablement remplacées par une nouvelle Liste. Ces positions sont:

231d	237(d)	238d	216d	237(f)
237(a)	238a	238e	216e	833
237(b)	238b	238f	216f	
237(c)	238c	238g	231e	

II. Positions du Tarif qu'il y aurait lieu de revoir dans la mesure où elles portent sur certaines matières qui devraient être prévues par une ou plusieurs des positions de la nouvelle Liste. Elles sont les suivantes:

192	248	326a	555	681
199	249	509	567a	711
208t	254	532	664a	et al
220a	269(ii)	548	666	

III. Positions du Tarif qu'il y aurait lieu d'examiner quand votre Commission procédera à l'établissement de sa nouvelle Liste des positions. Elles sont:

238i	654a	739	805	557b
446(f)	731	761	822	558d
182	248			et al

Peut-être sera-t-il nécessaire, au fur et à mesure que progresse votre enquête, que votre Commission examine certaines positions du Tarif qui ne figurent pas à l'une ou l'autre des trois catégories sus-indiquées."

Avis est donné par les présentes qu'une séance publique sera tenue, le lundi 20 mars 1950, dans la salle des conférences, au 4e étage de l'édifice Confédération, à Ottawa. Des avis quant aux séances subséquentes seront publiés en temps opportun.

Le Secrétaire,

JAMES R. MACGREGOR.

Avis de bills privés

107. Toute demande adressée au Parlement pour obtenir un bill privé doit être annoncée par avis publié dans la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et désigner l'adresse des signataires; et si la demande a pour objet l'obtention d'une loi en constitution de corporation, l'avis doit aussi mentionner le nom de la compagnie dont la constitution est projetée.

Outre l'avis dans la *Gazette du Canada*, comme susdit, pareil avis doit être donné de la façon suivante:

(A) Lorsque la demande a pour objet l'obtention d'une loi constituant en corporation:

1. Une compagnie de chemin de fer ou de canal—dans un des principaux journaux de la principale cité, ville ou village de chaque comté ou district par où doit passer le chemin de fer ou le canal dont la constitution est projetée;

2. Une compagnie de télégraphe ou de téléphone—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire dans lequel la compagnie se propose d'exercer des opérations;

3. Une compagnie ayant pour objet l'exécution d'entreprises dont l'exécution ou l'exploitation pourrait spécialement affecter une localité particulière, ou cherchant à obtenir des droits ou privilèges exclusifs ou voulant accomplir toute affaire ou chose dont l'accomplissement affecterait les droits ou propriétés d'autrui—dans un des principaux journaux de l'endroit ou des endroits particuliers que le projet de loi peut affecter;

4. Une compagnie de banque; compagnie d'assurance; compagnie fiduciaire; compagnie de prêt ou compagnie industrielle, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement.

5. Et si les entreprises d'une compagnie (constituée ou à constituer) doivent être déclarées d'utilité publique au Canada, cette intention doit être expressément mentionnée dans l'avis, et les requérants doivent adresser une copie de cet avis, sous pli recommandé, au secrétaire de chaque conseil de comté et de chaque corporation municipale pouvant être particulièrement affectée par l'exécution ou l'exploitation de ces entreprises, ainsi qu'au secrétaire de la province dans laquelle ces entreprises sont ou peuvent être situées; et la preuve de l'observation de cette prescription par les requérants doit être établie par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier une loi existante:

1. Afin de prolonger une ligne de chemin de fer ou un canal ou de construire des embranchements qui s'y relient—l'avis doit être le même *mutatis mutandis* que celui pour l'obtention d'une loi constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres entreprises déjà autorisées—dans un des principaux journaux de l'endroit où la compagnie a ou est autorisée à avoir son siège social;

3. Afin d'élargir les pouvoirs d'une compagnie (sans comporter attribution de droits exclusifs); d'accroître ou de réduire le capital social d'une compagnie; ou d'augmenter ou modifier son pouvoir d'émettre des obligations ou ses autres pouvoirs d'emprunt; ou de présenter un amendement pouvant porter atteinte aux droits ou aux intérêts des actionnaires, des détenteurs d'obligations ou des créanciers de la compagnie—dans un des principaux journaux du lieu de son siège social.

(C) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, doivent être publiés au moins une fois par semaine pendant quatre semaines consécutives; et lorsqu'ils sont publiés dans les provinces de Québec et du Manitoba, ils doivent être en langues anglaise et française.

Des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis doivent être adressés au greffier du Sénat et porter la mention: "Avis de bill privé"; au lieu de journaux, une déclaration statutaire attestant que l'avis a été régulièrement publié peut être adressée au greffier du Sénat.

Tout avis adressé sous pli recommandé doit être mis à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale deux semaines au moins avant l'examen de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait de la mise à la poste doit être transmise au greffier du Sénat.

108. Nulle pétition demandant la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal ou le prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, ne doit être étudiée par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé de l'entreprise, ainsi que chaque comté, canton, district ou municipalité par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement dont la construction est projetée.

110. Toute pétition tendant à obtenir un bill privé ne sera reçue par le Sénat que si elle a été déposée chez le greffier du Sénat au cours des six premières semaines de la session; et tout bill privé introduit au Sénat doit être présenté au Sénat dans un délai de deux semaines après que l'examineur des pétitions ou le comité des ordres permanents aura fait un rapport favorable à la pétition se rapportant à ce bill; et aucune motion demandant la suspension du présent ordre permanent ne sera prise en considération à moins que le comité des ordres permanents n'ait au préalable présenté un rapport recommandant pareille suspension.

114. Toute personne qui désire présenter un bill privé doit remettre au greffier du Sénat, s'il est projeté que le bill prenne naissance au Sénat, une copie du bill en anglais ou en français, avec un montant suffisant pour en payer la traduction, laquelle sera faite par les fonctionnaires du Sénat; elle doit aussi payer les frais d'impression de 600 exemplaires anglais et de 200 exemplaires français. Le requérant doit pareillement verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant sa mise à l'étude par le comité auquel il est renvoyé, la somme de deux cents dollars avec les frais d'impression de la loi pour l'incorporer dans les Statuts; et il doit remettre au greffier de ce comité un reçu de ce versement.

La taxe à acquitter lors de la deuxième lecture d'un bill n'est payée qu'à la Chambre où le bill est présenté.

Modèle d'un bill amendant une loi

60A.—(1) Dans la confection des bills amendant des textes législatifs existants, les amendements ne doivent pas ordinairement être effectués au moyen de clauses qui ajoutent, retranchent ou remplacent des mots, mais au moyen de clauses qui rééditent l'article, le paragraphe ou la disposition, telle qu'amendée.

(2) Dans le texte du bill sur la page de gauche, le nouveau texte doit être indiqué par les signes typographiques les plus appropriés à chaque cas: crochets, italiques, texte souligné, astérisques, etc. En regard de chaque clause, sur la page de droite, le texte amendé par le bill ou la partie importante de ce texte doit être imprimé, et les changements

projetés doivent y être indiqués de la manière prévue ci-dessus.

(3) Lorsqu'une clause abroge un article existant, un paragraphe ou une autre disposition d'un article, cet article, ce paragraphe ou cette autre disposition, ou la partie qui en est importante, doit être imprimé en regard de la clause.

(4) Un mémoire du rédacteur expliquant brièvement les motifs de chaque clause doit être annexé au bill, ou distribué avec le bill. Lorsque possible, le mémoire doit être imprimé sur la page de droite du bill, en paragraphes placés en regard des clauses visées, et portant un numéro correspondant.

(5) Les règles ci-dessus s'appliquent, autant que possible, à la réimpression des bills.

L. C. MOYER,
Greffier du Sénat.

CHAMBRE DES COMMUNES

EXTRAIT DU RÈGLEMENT DE LA CHAMBRE DES COMMUNES TOUCHANT LA PUBLICATION DES AVIS

95. (1) Toute pétition introductive de bill privé de quelque nature qu'il soit, doit être annoncé par avis publié dans la *Gazette du Canada*. Cet avis doit exposer clairement et distinctement la nature et l'objet du bill projeté; il doit être signé par les pétitionnaires ou en leur nom, avec indication de l'adresse des signataires. Si la pétition tend à une loi de constitution en corporation, l'avis doit mentionner le nom de la compagnie projetée. Si les travaux d'une compagnie, qu'elle soit constituée en corporation ou qu'il s'agisse de la constituer en corporation doivent être reconnus comme étant destinés à profiter au Canada d'une manière générale, l'avis doit énoncer cette intention expressément, et les pétitionnaires doivent faire parvenir une copie de cet avis par lettre recommandée au secrétaire de chaque comté ou municipalité que la construction ou la mise en œuvre de ces ouvrages peut intéresser, ainsi qu'au secrétaire de la province où ces mêmes ouvrages sont ou pourront être situés. Tout avis ainsi expédié par lettre recommandée doit être mis à la poste assez tôt pour arriver à destination au moins deux semaines avant la prise en considération du bill par le comité auquel il peut être renvoyé. La preuve que les requérants se sont conformés à cette règle s'établit au moyen d'une déclaration statutaire.

(2) Outre l'avis devant figurer dans la *Gazette du Canada*, il doit en être publié un semblable dans quelque journal important, comme suit:

(A) 1. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de chemin de fer ou de canal; cet avis similaire doit être publié dans la principale cité, ville ou municipalité de village de chaque comté ou district que doit traverser le chemin de fer ou le canal projeté;

2. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de télé-

graphe ou de téléphone, cet avis similaire doit être publié dans la principale cité ou ville de chaque province ou territoire où la compagnie en question se propose d'établir son service;

3. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie créée en vue de la construction de tous ouvrages dont l'établissement ou la mise en œuvre pourrait intéresser tout particulièrement une localité quelconque, ou en vue de tous droits ou privilèges exclusifs, ou encore en vue de toute opération qui pourrait porter atteinte aux droits ou aux biens d'autrui, cet avis similaire doit être publié dans les diverses localités où la loi projetée pourrait porter atteinte aux affaires, droits ou biens d'autres personnes ou compagnies;

4. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation un établissement bancaire, une compagnie d'assurance, une compagnie de fiducie, une compagnie de prêts ou une compagnie industrielle non dotée de pouvoirs exclusifs, il suffit d'un avis dans la *Gazette du Canada*.

(B) 1. Lorsque la pétition a pour objet de modifier une loi existante en vue de prolongement de tout chemin de fer ou canal ou de la construction d'un embranchement de voie ferrée ou de canal, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité, ville ou municipalité de village de chaque comté ou district devant être desservi par ce prolongement ou cet embranchement.

2. Lorsque la pétition a pour objet de modifier une loi existante en vue de prorogation du délai fixé pour la construction ou l'achèvement de toute ligne de chemin de fer, de tout embranchement ou prolongement de ligne de chemin de fer, de tout canal, de tout réseau télégraphique ou téléphonique, ou de tout ouvrage déjà autorisé, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité ou ville de chaque district intéressé.

3. Lorsque la pétition a pour objet de modifier une loi existante en vue de la continuation d'une charte ou de l'extention des pouvoirs d'une compagnie (quand elle ne comporte pas la concession de droits exclusifs); ou en vue de l'augmentation ou de la réduction du capital-actions d'une compagnie quelconque; ou en vue de l'accroissement ou de la modification de sa faculté d'émettre des obligations ou de contracter des emprunts d'un autre genre; ou encore en vue de toute modification touchant aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, il est publié un avis à l'endroit où est situé le siège social de la compagnie ou à l'endroit où la compagnie est autorisée à établir son siège social.

(C) Lorsque la pétition a pour objet d'obtenir, pour quelque personne ou corporation existante, des droits ou privilèges exclusifs, ou encore la faculté d'accomplir une chose dont la mise en œuvre intéresserait les droits ou biens d'autrui, il est publié un avis dans les localités où les affaires, les droits ou les biens d'autrui peuvent être spécialement compromis par la loi projetée.

(3) Tout avis de ce genre, qu'il soit inséré dans la *Gazette du Canada* ou dans un journal, doit être publié au moins une fois par semaine durant une période de quatre semaines consécutives. Lorsque la pétition prend naissance dans la province de Québec ou dans la province du Manitoba, l'avis en doit être publié en anglais dans un journal anglais et en français dans un journal français, ainsi qu'en anglais et en français dans la *Gazette du Canada*. S'il n'y

a pas de journal dans la localité où il faut annoncer ladite pétition, l'avis doit être publié à l'endroit le plus rapproché où est imprimé un journal. La preuve que l'avis en question a été dûment publié s'établit, dans chaque cas, par voie de déclaration statutaire. Toute déclaration de cette nature doit être envoyée au greffier de la Chambre, et elle doit porter au dos l'indication: "Avis de bill privé".

Pétitions introductives de bills privés

92. Nulle pétition introductive de bill privé n'est reçue par la Chambre, si elle n'est pas présentée dans les six premières semaines de la session. Tout bill privé prenant naissance à la Chambre des communes doit y être présenté dans les deux semaines qui suivent le jour où la pétition a été rapportée favorablement par l'examineur des pétitions ou par le comité du Règlement. Nulle motion portant suspension du présent article ne peut être accueillie à moins que le comité du Règlement n'ait préalablement présenté un rapport recommandant cette suspension, en y consignant les motifs de sa décision.

97. Nulle pétition portant constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie se proposant d'exploiter un canal, ou portant prolongement d'une ligne de chemin de fer ou d'un canal existant ou autorisé, ou portant construction d'un embranchement de voie ferrée ou de canal, ne sera prise en considération par l'examineur, ou par le comité du Règlement, tant qu'il n'aura pas été déposé entre les mains dudit examinateur une carte ou un plan indiquant l'endroit où se trouveront ces ouvrages, et chaque comté, canton, municipalité ou district à travers lequel le chemin de fer, le canal, le prolongement ou l'embranchement projeté doit être construit.

Bills privés

93. (1) Quiconque désire obtenir un bill privé doit déposer entre les mains du greffier de la Chambre, au plus tard le premier jour de la session, une copie de ce bill en anglais ou en français, ainsi qu'une somme suffisante pour en défrayer la traduction qui est faite par le personnel de la Chambre, et l'impression, qui est exécutée par le département des impressions publiques.

(2) Le promoteur d'un bill privé doit, après la deuxième lecture de ce bill et avant sa prise en considération par le comité qui en est saisi, défrayer l'impression de la loi dans le recueil des statuts et payer un droit de cinq cents dollars.

FRAIS ADDITIONNELS

(3) En sus des frais précités, les droits suivants doivent être imposés et payés:

a) Lorsqu'il y a suspension d'un article du Règlement relativement à un bill ou à la pétition introductive qui s'y rattache	\$ 100
b) Lorsqu'un bill est présenté en Chambre après la huitième semaine et avant l'expiration de la douzième semaine de la session.....	100
c) Lorsqu'un bill est présenté en Chambre après la douzième semaine de la session	200
d) Lorsque le capital-actions projeté d'une compagnie ne dépasse pas \$250,000....	100
e) Lorsque le capital-actions projeté d'une compagnie dépasse \$250,000, mais n'est pas supérieur à \$500,000.....	200
f) Lorsque le capital-actions projeté d'une compagnie dépasse \$500,000, mais n'est pas supérieur à \$750,000.....	300

- g) Lorsque le capital-actions projeté d'une compagnie dépasse \$750,000, mais n'est pas supérieur à \$1,000,000..... 400
- h) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,000,000, mais n'est pas supérieur à \$1,500,000..... 600
- i) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,500,000, mais n'est pas supérieur à \$2,000,000..... 800
- j) Pour chaque million de dollars de capital-actions additionnel ou fraction de million 200

(4) Lorsqu'un bill porte augmentation du capital-actions d'une compagnie existante, le droit additionnel à déboursier est basé sur le tarif précité, et il n'y est fait état que du montant de l'accroissement.

(5) a) Lorsqu'un bill tend à l'augmentation de la faculté d'emprunt d'une compagnie ou en comporte l'augmentation sans qu'il y ait accroissement du capital-actions, le droit additionnel est de trois cents dollars.

b) Lorsqu'un bill porte augmentation à la fois du capital-actions et de la faculté d'emprunt d'une compagnie, le droit additionnel est perçu sur les deux.

(6) Si, à quelque phase du bill il y a augmentation du capital-actions projeté d'une compagnie ou de sa faculté d'emprunt, le bill en question ne peut franchir une autre étape tant que ses promoteurs n'auront pas soldé les frais occasionnés par cette modification.

(7) Dans la présente règle, l'expression "capital-actions projeté" comprend toute augmentation de capital-actions prévue par le bill; et quand le bill porte faculté d'augmenter à quelque époque le chiffre du capital-actions, le droit additionnel est calculé sur le maximum de l'augmentation projetée, dont le bill fait mention.

(8) Les droits additionnels établis par la présente règle s'appliquent aussi aux bills privés qui ont pris naissance au Sénat; néanmoins si la pétition introductive d'un bill privé de ce genre a été présentée à la Chambre des communes dans les six premières semaines de la session, les droits additionnels prévus aux alinéas b) et c) du paragraphe 3 ne sont pas exigibles.

Du bill-type

96. (1) Le greffier en chef des bills privés remplit les fonctions d'examineur des bills privés, et, comme tel, il est tenu d'étudier et de reviser tous les bills privés antérieurement à leur impression, en vue d'y établir une certaine uniformité, lorsque la chose est possible, et de s'assurer qu'ils ont été élaborés conformément aux articles du Règlement de la Chambre relatifs aux bills privés.

(2) Tout bill tendant à la constitution en corporation d'une compagnie doit, lorsqu'il a été adopté une formule de bill-type, être rédigé en conformité de ce modèle dont il peut être obtenu des exemplaires du greffier de la Chambre. Toute disposition d'un bill de ce genre qui n'est pas conforme au bill-type doit être insérée entre crochets ou soulignée, et elle doit être imprimée de la sorte.

(3) Lorsqu'un bill privé porte modification d'un article, paragraphe ou alinéa quelconque d'une loi existante, ce même article, paragraphe ou alinéa selon la modification que les auteurs du bill veulent y apporter, la nouvelle rédaction devant être soulignée. L'article, le paragraphe ou alinéa que les auteurs veulent faire abroger, ou encore ce qu'il

renferme d'essentiel, doit être imprimé sur la feuille du côté droit en regard de ce même article, paragraphe ou alinéa.

(4) Lorsqu'un bill privé tend à abroger un article, paragraphe ou autre partie d'un article, cet article, ce paragraphe ou cette autre partie, ou encore ce qui s'y trouve d'essentiel, doit être imprimé en regard de l'article du bill.

(5) Une note établissant brièvement l'objet d'une disposition d'un caractère exceptionnel ou dont la teneur s'écarte des dispositions du bill-type, ou des articles servant de modèle, doit être imprimée en regard de l'article du bill.

CARTE OU PLAN ACCOMPAGNANT LE BILL

98. Nul bill portant constitution en corporation d'une compagnie de chemin de fer ou de canal, nul bill tendant à faire autoriser la construction d'embranchements ou de prolongements se rattachant à des lignes de chemins de fer ou à des canaux existants, nul bill portant modification de la route suivie par un chemin de fer ou un canal exploité par une compagnie déjà constituée en corporation ne doit être pris en considération par le comité des chemins de fer tant qu'il n'aura pas été produit devant ledit comité, au moins une semaine avant la prise en considération du bill, une carte ou un plan établi sur une échelle d'au moins un demi-pouce au mille indiquant le territoire sur lequel il est question de construire les ouvrages projetés et aussi les ouvrages analogues qui y ont déjà été construits ou autorisés, ou qui intéressent la région ou la partie de région devant être desservie par les services projetés. Cette carte ou ce plan doit porter la signature de l'ingénieur ou de toute autre personne qui l'a dressé.

Cette conférence a constitué un début prometteur pour l'élaboration d'une procédure satisfaisante pour effectuer au Canada même les modifications à la constitution jugées nécessaires de temps à autre. Les délégués se sont entendus sur certains principes généraux et ils ont établi une commission permanente qui continuera les travaux de la conférence.

Les gouvernements de toutes les provinces ont également été invités à participer, au début de l'automne prochain, à une conférence générale des gouvernements fédéral et provinciaux, afin d'étudier d'autres questions d'intérêt commun. Les diverses autorités provinciales ont été priées de faire connaître les principaux sujets qu'elles désirent soulever à cette conférence.

Dans l'intervalle, les pourparlers se poursuivent avec les gouvernements provinciaux en vue de la mise en œuvre des mesures adoptées à votre dernière session relativement au logement, à l'établissement d'une route transcontinentale et à la conservation des forêts.

Le programme national de santé s'étend maintenant à la province de Terre-Neuve et, avec la collaboration des provinces en général, l'établissement d'installations et de services d'hygiène améliorés a de nouveau fait des progrès satisfaisants.

Sur le plan international, le pays continue d'appuyer sans réserve la Charte des Nations Unies. Une délégation canadienne assiste présentement à une session du Conseil économique et social, auquel le Canada a été élu au cours de la dernière session de l'Assemblée générale.

La conférence qui réunissait récemment à Ceylan les ministres des Affaires étrangères des nations du Commonwealth a démontré qu'il existe chez ces nations, tant de l'Est que de l'Ouest, une communauté de pensée soutenue et importante, quant à la façon d'envisager les problèmes de l'heure en matière d'affaires étrangères.

Les mesures que prévoit le Traité de l'Atlantique-Nord en vue de maintenir la paix, ainsi que de rétablir et de conserver la prospérité, s'élaborent et

s'appliquent aussi rapidement que les circonstances le permettent. L'entière collaboration de tous les signataires du traité démontre de façon encourageante leur volonté commune de prévenir toute agression en conjuguant des forces actuelles et potentielles suffisantes pour en empêcher la réussite.

Néanmoins, la guerre froide se poursuit et impose de lourdes charges à toutes les nations libres qui doivent s'assurer des forces de défense et des armes perfectionnées. Il est indispensable de se préparer à faire face à toute attaque soudaine et, partant, de se doter de moyens appropriés. Mais les nations libres subissent également une épreuve d'endurance. Notre capacité de résistance pourrait être minée par des préparatifs d'une ampleur telle qu'ils nuisent à la possibilité de nous adapter aux nouvelles armes ou aux nouvelles techniques de la guerre, ou qu'ils risquent de compromettre le bon fonctionnement de l'Etat et de nos industries.

Dans l'extension de nos forces de défense, nous songeons toujours à assurer le meilleur emploi possible de nos ressources, à favoriser les recherches et les opérations expérimentales conjointes, et à coordonner l'effort du Canada avec ceux des autres signataires du pacte atlantique.

On présentera de nouveau la mesure destinée à codifier les lois qui régissent actuellement nos forces de défense et à élaborer un code disciplinaire exclusivement canadien, à l'usage de toutes nos armes.

L'embauchage et la prospérité se maintiennent chez nous à un niveau élevé. Les placements particuliers dans la construction et les immobilisations s'annoncent favorables pour toute l'année. La demande de biens de consommation de tous genres reste ferme. Depuis quelques mois, cependant, des circonstances de lieu et de saison ont entraîné en certaines régions un chômage temporaire d'une importance numérique significative. Les mesures de sécurité sociale, prévues par la loi sur l'assurance-chômage, ont donc subi leur première épreuve sérieuse depuis leur entrée en vigueur.

Quoiqu'une grande partie des gens provisoirement sans emploi touchent des prestations d'assurance-chômage, vous serez invités à étudier un projet de loi visant à élargir la portée de l'assurance-chômage et à en étendre les prestations.

A cause de circonstances régnant à l'étranger, le prix des produits agricoles a subi un certain fléchissement. Nous avons déjà pris des mesures destinées à amortir le choc de ces ajustements. Afin d'autoriser le Gouvernement à maintenir dans ce dessein le soutien des prix des produits primaires des fermes et des pêcheries, on vous demandera de modifier la loi sur les produits agricoles, la loi sur le soutien des prix agricoles et la loi sur le soutien des prix des produits des pêcheries.

L'accord international sur le blé est entré en vigueur durant l'année écoulée. Etant donné la participation du Canada à cet accord et la décision, prise récemment, d'écouler les céréales secondaires par l'intermédiaire de la Commission canadienne du blé, vous serez également appelés à étudier une mesure tendant à renouveler les pouvoirs actuels de la Commission.

Au cours de l'an dernier, les exportations canadiennes se sont maintenues à des niveaux presque sans précédent, mais la persistance des difficultés découlant de la pénurie mondiale de dollars a provoqué, récemment, une diminution dans les achats d'un certain nombre de nos produits d'exportation.

Des représentants du Canada continuent de prendre une part active à la coordination, sur le plan international, des efforts destinés à améliorer les conditions fondamentales du commerce mondial. Le Gouvernement met également en œuvre un programme dont l'objet est d'assurer de nouveaux débouchés à nos produits et de faciliter à nos clients d'outremer l'acquisition de devises canadiennes. Mes ministres vont poursuivre leurs efforts afin d'obtenir la diminution des entraves au commerce. On prépare actuellement, à cette fin, de nouveaux pourparlers qui auront lieu au cours de la présente année, sur le commerce multilatéral.

Les difficultés du change qui existent actuellement nécessiteront encore des mises au point dans notre commerce d'exportation, mais nous sommes fondés à nous attendre qu'il se maintienne, dans l'ensemble, à un niveau élevé au cours de la présente année.

Vous serez appelés à examiner les mesures législatives requises pour donner suite au programme de régie et de déréglementation ordonnée des loyers que le Gouvernement a annoncé au cours de la dernière session.

Vous serez saisis d'une mesure visant à modifier la loi de la marine marchande au Canada en vue d'y incorporer des changements proposés par la Convention de 1948 sur la sécurité de la vie en mer et de définir les fonctions des consuls du Canada et les conditions d'immatriculation au Canada des navires canadiens.

Vous serez invités à examiner un projet de loi concernant le remaniement de la loi des Indiens.

Une mesure sera présentée en vue de substituer aux dispositions législatives existantes, un procédé uniforme et méthodique touchant la publication et le dépôt au Parlement des règlements et ordonnances édictés par le Gouverneur en conseil, les ministres ou d'autres agents de la Couronne dans l'exercice de pouvoirs conférés par la loi.

Des projets de lois seront présentés en vue de donner suite aux programmes annoncés à la dernière session relativement aux parts de prises, à l'application aux ex-militaires des troupes britanniques et alliées des dispositions de la loi des allocations aux anciens combattants et au versement de subventions aux municipalités où il y a concentration exceptionnelle de propriétés fédérales.

Vous serez aussi appelés à étudier des mesures tendant à modifier la loi des pensions de la milice; le Code criminel; la loi des rentes de l'Etat; la loi des Postes; la loi du revenu consolidé et de la vérification; la loi du cours monétaire; la loi des compagnies fiduciaires; la loi des Compagnies d'assurance canadiennes et britanniques, 1932; la loi des Compagnies d'assurance étrangère, 1932; la loi des douanes; la loi sur l'utilisation des terrains marécageux des provinces Maritimes; ainsi que la loi sur la Commission d'énergie des territoires du Nord-Ouest.

Membres de la Chambre des communes,

Vous serez invités à prendre les dispositions voulues pour assurer tous les services essentiels pendant la prochaine année financière.

Honorables membres du Sénat,

Membres de la Chambre des communes,

Puisse la divine Providence bénir vos délibérations.

BANQUE DU CANADA
RAPPORT ANNUEL AU MINISTRE
DES FINANCES

Ottawa, le 11 février 1950.

L'honorable D. C. Abbott, C.R.,
 Ministre des Finances,
 Ottawa.

Monsieur le ministre,

Conformément aux dispositions de la Loi modifiant la Loi sur la Banque du Canada, j'ai l'honneur de vous adresser ci-joint en double exemplaire le relevé des comptes de la Banque pour l'exercice 1949, signé par le gouverneur et par le comptable en chef et certifié par les vérificateurs, dans la forme prescrite par les statuts de la Banque.

Avant de passer au rapport qui accompagne ce relevé, je tiens, au nom du Conseil d'administration, à mentionner le profond regret causé parmi ses collègues par le décès de M. J. L. Holman en 1949. M. Holman, qui occupait une place prééminente

dans les affaires commerciales de l'Île du Prince-Edouard, avait été nommé administrateur en 1936, et nous a rendu de précieux services par ses conseils et son appui au cours de son association avec la Banque.

Les principaux changements apportés dans nos comptes pendant l'exercice figurent aux pages 23 et 24 du présent rapport. Avant d'indiquer l'effet de ces changements sur les réserves des banques à charte, permettez-moi de passer en revue la situation monétaire en 1949.

SITUATION MONÉTAIRE

Les plus importants avoirs liquides du public sont les catégories actives de dépôts bancaires et de monnaie qui constituent le volume monétaire, les dépôts inactifs sur préavis, et les valeurs du Gouvernement. Il existe un rapport entre chacun de ces facteurs et la situation monétaire. Le tableau ci-dessous, qui résume les chiffres de l'Appendice B du rapport, indique une légère diminution dans l'ensemble de ces avoirs liquides en 1949.

AUGMENTATION OU diminution DANS CERTAINS AVOIRS LIQUIDES ENTRE LES MAINS DU PUBLIC⁽¹⁾
 (Années civiles, en millions de dollars)

—	1948	1949 ⁽²⁾
Volume monétaire.....	391	46
Dépôts d'épargne inactifs.....	265	296
Valeurs du Gouvernement du Canada.....	471	196
Impôts remboursables.....	85	286
TOTAL.....	100	140

Les changements dans l'ensemble des avoirs liquides indiqués au tableau ci-dessus sont déterminés par les changements dans les prêts des banques à charte et les placements autres qu'en valeurs du Gouvernement, par l'excédent liquide ou le déficit du Gouvernement et par les changements dans le chiffre en cours des valeurs garanties par le Gouvernement.

Par comparaison avec les autres années d'après-guerre, l'augmentation dans les prêts des banques à charte et les placements autres qu'en valeurs du Gouvernement en 1949 a beaucoup moins contribué à grossir les avoirs liquides du public. Compte tenu du montant approximatif des comptes de Terre-Neuve pour l'année entière, l'augmentation dans le total des prêts et des placements en valeurs autres que celles du Gouvernement en 1949 est de 49 millions de dollars par comparaison avec 257 millions en 1948 et 777 millions en 1947. Sur ce chiffre en 1949, 17 millions représentent une augmentation nette en valeurs provinciales et municipales et dans les prêts aux gouvernements provinciaux et municipaux, et environ 31 millions, des prêts sur demande aux agents de change et aux courtiers en placements; il y a également une légère augmentation dans les

catégories de prêts personnels et dans les avances aux cultivateurs, mais le chiffre net des prêts commerciaux et des valeurs commerciales et industrielles paraît avoir baissé légèrement en 1949.

La Banque a suggéré aux banques à charte en février 1948 que, vu la situation à cette époque, il ne convenait pas de financer les immobilisations par une expansion de crédits bancaires. En février 1949, la Banque est revenue sur cette suggestion parce que le volume des immobilisations paraissait devoir être quelque peu inférieur en 1949. En 1949 il y a eu une diminution de 68 millions de dollars dans le portefeuille de valeurs industrielles des banques à charte. Cette diminution est principalement due, à mon avis, aux remboursements par série des emprunteurs qui avaient vendu des titres aux banques les années précédentes.

Dans mon rapport annuel de 1947 j'ai mentionné l'importance de la participation des banques à charte aux souscriptions d'émissions autres que celles du Gouvernement en 1945, 1946 et 1947. La situation a été entièrement différente en 1948 et 1949, et ce sont d'autres portefeuilles qui ont absorbé presque tout le gros montant net de ces émissions.

⁽¹⁾ Le terme "public" désigne ici toutes les personnes qui font des placements sauf les banques et les comptes du Gouvernement. Il comprend les compagnies d'assurance sur la vie et tous les portefeuilles industriels aussi bien qu'individuels.

⁽²⁾ Une mise au point approximative a été effectuée pour inclure les opérations des banques à charte de Terre-Neuve dans les statistiques canadiennes pour toute l'année 1949.

Nature des valeurs	Montant net des émissions ou remboursements d'obligations et actions canadiennes (²)					Augmentation ou diminution nette dans le portefeuille des banques à charte				
	1945	1946	1947	1948	1949	1945	1946	1947	1948	1949
Provinciales.....	28	18	65	199	339	22	2	151	8	30
Municipales.....	43	5	31	71	89	15	24	18	7	21
Industrielles.....	25	68	231	260	211	23	88	147	98	68
TOTAL.....	46	45	327	530	639	60	114	316	113	77

L'augmentation dans les prêts bancaires et dans les placements autres qu'en valeurs du Gouvernement a contribué à grossir les avoirs liquides du public, mais cela a été plus que compensé par l'excédent liquide du Gouvernement en 1949. L'excédent budgétaire du Gouvernement est de 284 millions de dollars pour l'année civile 1949, soit 356 millions de moins qu'en 1948. Mais, étant donné le moindre besoin de fonds non budgétaires, l'excédent global du Gouvernement est de 288 millions de dollars en 1949

par comparaison avec 205 millions en 1948. La principale raison de ce moindre besoin de fonds non budgétaires en 1948 est qu'il a moins fallu pour financer l'accumulation de change étranger par la Commission de contrôle du change étranger, en partie à cause de la diminution dans notre solde d'exportation. Le tableau ci-dessous résume les principaux comptes budgétaires et non budgétaires dans les opérations financières du Gouvernement au cours des trois dernières années civiles.

RECETTES ET paiements DU GOUVERNEMENT DU CANADA
(Années civiles, en millions de dollars)

	1947	1948	1949
COMPTES BUDGÉTAIRES			
Recettes ordinaires.....	2,620	2,585	2,574
Recettes spéciales.....	386	183	77
Dépenses budgétaires.....	2,255	2,128	2,367
Excédent budgétaire.....	751	640	284
COMPTES NON BUDGÉTAIRES			
Prêts d'après-guerre à des gouvernements étrangers (net).....	563	126	107
Prêts à la Commission de contrôle du change étranger.....	770	520	125
Autres comptes (net).....	5	211	236
Excédent global applicable au remboursement de la dette intérieure (net).....	963	205	288

Les chiffres du tableau ci-dessus sont basés sur l'année civile au lieu de l'exercice financier du Gouvernement qui se termine le 31 mars, parce que les chiffres correspondants du rapport ont trait à l'année civile. L'excédent budgétaire pour l'exercice 1949-1950 sera probablement de beaucoup inférieur au chiffre de 284 millions de dollars pour l'année civile 1949.

Outre l'excédent global de 288 millions de dollars indiqué au tableau ci-dessus, le Gouvernement avait d'autres sources de fonds liquides pour le remboursement de la dette intérieure en 1949. Ce sont les ventes de titres par le Compte des placements de l'Etat, qui a diminué de 487 millions de dollars au cours de l'année, et la réduction qui a eu lieu dans les fonds liquides du Gouvernement. Comme résultat, le Gouvernement a réussi à réduire la dette intérieure consolidée d'environ 900 millions de dollars, dont 286 millions consistaient en paiements d'impôts remboursables.

La réduction dans le montant des valeurs du Gouvernement à la disposition des banques et du public a été loin d'être aussi grande que celle dans les valeurs en cours parce que les ventes du Compte de placements de l'Etat mentionnées plus haut ont alimenté le marché.

En ce qui concerne les placements du public, les portefeuilles des compagnies d'assurance en valeurs émises et garanties ont diminué de 127 millions de dollars tandis que "tous les autres" portefeuilles ont diminué de 68 millions en 1949 par comparaison avec 438 millions en 1948.

Le système bancaire (la Banque du Canada et les banques à charte) a souscrit en 1949 un peu plus de valeurs du Gouvernement que les échéances de son portefeuille au cours de l'année, de sorte que l'ensemble de son portefeuille s'est accru de 149 millions de dollars en titres émis et garantis par le Gouvernement en 1949. Celui de la Banque du Canada a subi une diminution de 4 millions tandis qu'il s'est produit une augmentation de 153 millions dans celui des banques à charte.

Compte tenu de la mise au point pour inclure les dépôts de Terre-Neuve pour toute l'année, le total des dépôts canadiens des banques à charte a augmenté de 161 millions de dollars en 1949. Cette

(²) Source: Appendice A. Les chiffres du tableau sont inférieurs à la réalité par le fait que le montant net de ces émissions sur le marché canadien est diminué du montant net des valeurs dans les portefeuilles étrangers qui ont été appelées au remboursement ou remboursées à l'échéance.

expansion s'explique plus que facilement par l'augmentation de 296 millions de dollars dans les dépôts inactifs sur préavis, tandis qu'il y a une diminution de 135 millions dans les dépôts actifs du public et dans ceux du Gouvernement. Les réserves liquides des banques à charte ont augmenté de 15 millions de dollars en 1949 comme l'indique le tableau suivant et la proportion de l'encaisse bancaire au 31 décem-

bre 1949 était de 10·3 p. 100 comme à la fin de l'année précédente. Toutefois, sur une base quotidienne, l'encaisse bancaire était plus basse en 1949 qu'en 1948, soit 9·9 p. 100 en décembre par rapport à 10·3 p. 100 le même mois de 1948, et 10·4 p. 100 pour 1949 par rapport à 10·7 p. 100 en moyenne en 1948.

Le graphique ci-contre indique les changements dans le rendement des fonds d'Etat à longue échéance du Canada, des Etats-Unis et du Royaume-Uni. Dans le cas des cours au Canada et aux Etats-Unis, le degré de changement est à peu près le même pour l'année dans l'ensemble. Mais il en est tout autrement pour les cours du Royaume-Uni.

Après avoir montré peu de changement pendant le premier semestre de 1949, les cours des obligations à longue échéance du Gouvernement du Canada ont commencé à monter en juillet. Le maximum a été atteint fin octobre quand le cours de l'émission à plus longue échéance (1966) a accusé une hausse d'environ 2½ points sur celui de mi-année. Pendant les deux derniers mois de l'année, le cours de ladite émission a baissé d'un demi-point et son rendement à la fin de l'année était de 2·72 p. 100 par rapport à 2·93 p. 100 au 31 décembre 1948. Aux Etats-Unis, le rendement de l'émission 2½ p. 100 du gouvernement des Etats-Unis à échéance du 15 décembre 1967-1972 a baissé de 23 p. 100 en 1949, c'est-à-dire de 2·47 p. 100 à 2·24 p. 100. Au cours de 1949, la différence de rendement entre les émissions à longue et courte échéance a été moins grande que depuis longtemps, aussi bien au Canada qu'aux Etats-Unis.

Les cours des émissions de premier ordre du Royaume-Uni ont baissé sensiblement pendant le deuxième trimestre de l'année, et le rendement des longues échéances a augmenté de près de ¼ p. 100. Les cours ont continué à fluctuer fortement de la mi-août à la fin de l'année et ils ont fermé considérablement au-dessus du plus bas niveau de l'année. L'emprunt d'épargne 3 p. 100 à échéance de 1965-1975 rapportait 3·39 p. 100 au 31 décembre 1949, soit plus de ½ p. 100 de plus qu'au 31 décembre 1948.

Pendant le premier semestre de 1949, les banques à charte ont fait d'importants achats nets d'obligations du Gouvernement. Toutefois, pendant cette période, le montant des valeurs de ce genre à la disposition des banques et des autres souscripteurs a augmenté à peu près du même montant par suite des ventes nettes du Compte des placements de l'Etat. Pendant le troisième trimestre, les banques

ont continué leurs achats malgré une baisse dans la proportion de leur encaisse, et les ventes nettes du Compte des placements de l'Etat ont diminué. En octobre et en novembre ont eu lieu le remboursement à l'échéance et l'appel au remboursement de trois émissions se chiffrant à environ 882 millions de dollars, dont seulement 300 millions ont été fournis par le produit d'une émission à courte échéance vendue à la Banque du Canada et aux banques à charte, et le reste par les fonds liquides du Gouvernement et la vente d'Obligations d'épargne du Canada. Pendant le dernier trimestre de l'année, il n'y a pas eu de gros changements nets dans les achats ou les ventes des banques à charte ou du Compte des placements de l'Etat.

Les autorités provinciales et, à un moindre degré, les municipalités, ont réussi à augmenter sensiblement le chiffre net de leurs emprunts. Les entreprises industrielles ont obtenu un montant quelque peu inférieur à celui de 1948 par des émissions d'actions et d'obligations. Dans le domaine industriel, il faut signaler particulièrement le grand volume de nouvelles émissions pour la mise en valeur des champs de pétrole de l'Ouest.

La troisième série des Obligations d'épargne du Canada est restée en vente jusqu'à la fin d'août 1949. Les ventes de 1949 se chiffrent à 21 millions de dollars, ce qui porte le total de cette émission à 260 millions. La quatrième série a été mise en vente en octobre, et, à la fin de décembre, 950,000 personnes avaient souscrit 293 millions. Le total des ventes d'Obligations d'épargne du Canada pendant l'année, moins les remboursements, est de 142 millions de dollars, et à la fin de l'année le total en cours des quatre séries des Obligations d'épargne du Canada se chiffrait à 919 millions.

Il est évident qu'un nombre croissant de Canadiens font usage de ce mode d'épargne. Les ventes par le mode de retenues sur le salaire s'élèvent à 140 millions et excèdent de 20 p. 100 le nouveau record d'après-guerre établi l'an dernier. Ceux qui souscrivent régulièrement chaque année augmentent constamment le chiffre de leur souscription.

Cette année-ci un plus grand nombre d'employeurs qu'auparavant ont mis le mode d'épargne par rete-

nues sur le salaire à la disposition de leurs employés et ont veillé personnellement à ce que tous leurs employés aient la chance d'en profiter. Cette sincère collaboration de la part des employeurs est inestimable. Je profite de l'occasion pour rendre hommage de nouveau à l'énergie et à la persévérance des membres des maisons de placement qui constituent l'organisation de campagne du mode d'épargne par retenues sur le salaire.

SITUATION ÉCONOMIQUE INTÉRIEURE⁴

En 1949 la demande pour les produits canadiens n'a pas subi autant de pression extérieure qu'en

1948. Le volume de nos exportations a diminué d'environ 3 p. 100 en 1949 par rapport à 1948. D'un autre côté le volume des importations a été à peu près le même qu'en 1948.

Le facteur des prix d'exportation semble avoir subi une hausse d'environ 3 p. 100 en moyenne et le facteur des prix d'importation également de 3 p. 100 par rapport à 1948. Le tableau suivant indique la valeur en dollars de nos exportations, importations et balance commerciale avec les différents groupes de pays en 1948 et 1949.

En 1949 il y a eu apparemment une augmentation de 2 p. 100 par rapport à 1948 dans le volume des achats de marchandises et de services, 9 p. 100 dans le chiffre brut des immobilisations privées et 9 p. 100 dans les dépenses de gouvernements en marchandises et services. La demande de consommation a été stimulée pendant la première partie de 1949 par certains paiements spéciaux sous forme d'impôts remboursables, par la distribution de règlements sur les ventes de blé et par les réductions

de l'impôt sur le revenu. Comme en 1948, les capitaux privés ont montré une forte tendance à favoriser les placements immobiliers et les utilités publiques au lieu des immobilisations dans le domaine industriel.

L'augmentation dans l'ensemble de la production de marchandises et de services en 1949 semble avoir été d'environ 3 p. 100. La production industrielle a augmenté d'un peu moins de 2 p. 100 et la production agricole a diminué d'environ 9 p. 100, mais d'après

le chiffre des employés, il semble y avoir eu une assez forte augmentation dans le domaine des services. La main-d'œuvre accuse de nouveau un accroissement d'environ 2 p. 100 en 1949.

Au cours de 1949 la rareté de la main-d'œuvre ne semble pas s'être fait autant sentir que les années précédentes. Le chômage a monté quelque peu au-dessus du bas niveau de 1948, mais l'embauchage général a été satisfaisant par rapport au temps de paix, quoiqu'il y ait eu évidemment des situations difficiles dans certaines villes et industries.

Les changements dans les principaux indices de prix et de salaires au Canada pendant l'année dernière figurent au tableau ci-après. Les statistiques indiquent que dans l'ensemble le niveau des prix à la fin de 1949 n'a guère varié depuis la fin de l'année précédente, et il n'y a eu qu'une augmentation relativement faible dans le taux des salaires. Toutefois, par suite des hausses enregistrées par les prix et les salaires au cours de 1948, les deux séries accusent une augmentation sensible en 1949 sous le rapport de la moyenne annuelle par comparaison avec 1948.

SITUATION ÉCONOMIQUE AUX ÉTATS-UNIS

Pendant le dernier trimestre de 1948 la demande globale de marchandises et de services des États-Unis avait paru se niveler, l'activité industrielle avait cessé de s'accroître et une légère réduction avait eu lieu dans le niveau des prix. Les entreprises commerciales achetaient à un rythme de beaucoup supérieure à leurs ventes, ce qui faisait considérablement monter les stocks en magasin, mais au cours du premier semestre de 1949 il s'est produit une forte réduction dans le volume de ces achats. En juin, l'indice de la production industrielle avait baissé de 12 p. 100 depuis décembre 1948, les prix de gros de 5 p. 100 et les prix de consommation de 1 p. 100.

Pendant cette période, toutefois, la demande pour les produits finis et les services s'était bien maintenue. Les immobilisations en usines, outillage et logements n'avaient diminué que légèrement. Les exportations à l'étranger, qui avaient diminué durant

1948, se relevèrent pendant le premier semestre de 1949, et les dépenses du gouvernement en marchandises et services continuèrent à s'accroître. La réduction dans le revenu national, associée avec la baisse dans la production et les prix, fut en grande partie limitée au revenu net des affaires; les revenus personnels et les dépenses de consommation ne subirent qu'une réduction relativement peu importante.

Étant donné que le niveau de consommation des produits finis et des services s'était bien maintenu, les stocks en magasin s'écoulèrent assez rapidement. Les achats commerciaux de matériaux s'accrurent alors, l'indice de la production industrielle monta de 5 p. 100 entre juin et décembre et la baisse du niveau des prix se ralentit. Pendant le dernier semestre, un plus gros chiffre de placements immobiliers compensa la réduction qui continuait à avoir lieu dans les immobilisations en usines et outillage. Les indices de prix et les moyennes des taux de salaires accusèrent les changements suivants en 1949:

COMPARAISON ENTRE LA SITUATION ÉCONOMIQUE DU CANADA ET DES ÉTATS-UNIS

Les changements dans la situation économique des Etats-Unis exercent normalement une très grande influence sur la situation au Canada. Il est par conséquent intéressant d'observer un aussi grand contraste entre les tendances inhérentes aux deux économies en 1949. En général, le Canada n'a pas beaucoup souffert de la régression assez prononcée qui s'est produite aux Etats-Unis au cours de la première partie de 1949. Pendant cette période, l'indice saisonnièrement ajusté de la production industrielle a baissé de 12 p. 100 aux Etats-Unis tandis que l'indice canadien a monté légèrement. Le commerce de détail au Canada a continué à faire des gains sensibles sur 1948 au cours du premier semestre de 1949 tandis qu'aux Etats-Unis les ventes au détail se maintenaient tout juste au niveau de l'année précédente. Pendant le même premier semestre de 1949 les prix de gros et le coût de la vie ont baissé respectivement de 5 et de 1 p. 100 aux Etats-Unis tandis que l'indice au Canada n'a baissé que de 2 p. 100 dans le cas des prix de gros et que celui du coût de la vie a monté de 1 p. 100. En partie par suite de la réduction dans les stocks en magasin, les prêts commerciaux des banques aux Etats-Unis ont baissé de 8 p. 100 pendant le premier semestre de 1949—pendant que les prêts courants des banques canadiennes ont augmenté légèrement.

La différence dans les deux économies au cours du premier semestre de 1949 s'explique probablement en partie par le fait que la régression aux Etats-Unis était principalement occasionnée par une mise au point des inventaires et qu'elle a été plus ou moins limitée à ce domaine grâce à la bonne demande générale pour les produits finis et les services mentionnée plus haut.

On peut également attribuer en partie le bon niveau continué d'activité économique au Canada

pendant 1949 à certains facteurs spéciaux de la situation intérieure. L'accumulation des demandes de temps de guerre a été écoulée quelque peu plus lentement au Canada, en partie à cause de notre aide aux pays étrangers, particulièrement en 1946 et 1947, et à cause des restrictions à l'exportation en 1948 et 1949 qui en ont résulté. L'abolition des contrôles a procédé plus graduellement chez nous après la guerre et a eu pour effet de maintenir plus longtemps la tendance à la hausse des prix. En outre, les additions spéciales apportées au pouvoir d'achat des consommateurs au début de 1949 dont nous avons déjà parlé, ont probablement encouragé la demande pour les marchandises et les services. Et en plus de ces facteurs plus ou moins temporaires, l'économie canadienne a été renforcé par les récentes découvertes de ressources naturelles.

Le relèvement de l'activité économique aux Etats-Unis pendant les derniers mois de l'année, qui s'est fait particulièrement remarquer dans le niveau de la production industrielle, n'a pas eu non plus de contre-partie au Canada. Il a eu pour résultat, en conséquence, de faire disparaître une très grande partie de la différence apparente pendant le premier semestre.

PRODUCTION ET CONSOMMATION : 1928-1929 ET 1948-1949

Dans mon rapport de l'an dernier j'ai mentionné les travaux des ministères du Gouvernement qui compilent des statistiques sur les changements dans le volume de la production et de la consommation. Nous nous sommes bornés à ce moment-là à donner les chiffres relatifs aux immobilisations en 1947-1948 par rapport à 1928-1929. Le tableau ci-dessous établit la comparaison jusqu'à date en indiquant la moyenne des derniers chiffres disponibles de 1948-1949 avec ceux de 1928-1929, et comprend également des comparaisons pour les autres importantes catégories de dépenses en marchandises et services.

AUGMENTATION APPROXIMATIVE DANS LE VOLUME DES DÉPENSES EN MARCHANDISES ET SERVICES EN 1948-49 PAR RAPPORT À 1928-29

Consommation personnelle.....	82%
Immobilisations brutes (sauf inventaires),.....	42
Dépenses du Gouvernement.....	92
Exportations.....	53
Importations.....	20
CHIFFRE BRUT DE LA PRODUCTION NATIONALE OU DÉPENSES.....	80%

Il est à remarquer que dans le tableau ci-dessus les importations ont augmenté moins que les autres catégories de dépenses. Il en résulte que le chiffre domestique de ces dépenses a augmenté en moyenne tandis que le chiffre moyen des importations a diminué. Par conséquent, l'augmentation dans le chiffre brut de la production nationale du Canada reflète non seulement l'augmentation dans les dépenses globales en marchandises et services mais aussi un plus gros chiffre domestique de dépenses en 1948-1949 par rapport à 1928-1929.

L'augmentation dans le volume de consommation a marché de pair avec la plus grande production qui était d'environ 80 p. 100 entre 1928-1929 et 1948-1949, malgré que la moyenne des heures de travail par semaine ait certainement diminué. Etant donné qu'il y a eu un accroissement de 31 p. 100 dans la population du Canada, l'augmentation dans la consommation par tête est d'environ 39 p. 100. Cette augmentation sur une période de vingt ans est équivalente à une augmentation annuelle cumulative de 1.66 p. 100 par tête.

Les chiffres indiquent que le taux d'immobilisation brute par tête n'a pas augmenté plus de 9 p. 100

entre 1928-1929 et 1948-1949. La somme des instruments de production étant plus grande, il y a eu un plus gros montant de dépréciation annuelle, de sorte que le chiffre net des immobilisations en 1948-1949 est probablement inférieur par tête à celui de 1928-1929. Dans l'ensemble, les chiffres indiquent—comme on pourrait s'y attendre—qu'une bonne partie de l'augmentation dans la production par tête en 1948-1949, par rapport à 1928-1929, est due à une plus grande efficacité de rendement et à un usage plus intensif de matériel et d'outillage.

CHANGEMENTS DANS LES COMPTES DE LA BANQUE DU CANADA

Je passe maintenant aux changements apportés dans les comptes de la Banque du Canada en 1949, et sur lesquels il est d'usage de commenter dans le rapport.

FORME DU BILAN

En vertu d'un accord entre la Banque du Canada et la Commission de contrôle du change étranger conclu avec l'approbation du ministre des Finances en 1941, la Banque agissait pour le compte de la

Commission à titre de dépositaire des réserves en change étranger du Canada. En mars 1949, la Banque a commencé à agir pour la Commission dans sa capacité normale de banquier. La Commission a continué à conserver la plus grande partie de ses réserves sous forme d'or et de valeurs comme le stipule la Loi sur le contrôle des changes et à maintenir des fonds de roulement dans les banques à charte comme par le passé. Mais les avoirs en change étranger déposés à la Banque du Canada ont été compris dans le bilan de la Banque sous une rubrique spéciale approuvée par le Gouverneur en conseil. Cette révision explique l'augmentation de \$79.2 millions dans notre bilan en 1949 sous la rubrique Change étranger et Titres divers du côté de l'actif, et Passif en devises étrangères du côté du passif.

BILLETTS EN CIRCULATION

La Banque du Canada avait émis au 31 décembre 1949 pour \$1,307,424,146 de billets, soit \$18,343,813 de plus qu'en 1948 où l'augmentation sur l'année précédente avait été de \$77,729,948. Sur le total des billets en circulation, 1,095.7 millions étaient entre les mains du public et \$211.8 millions dans les banques à charte. La diminution dans les billets de la Banque du Canada entre les mains du public est de \$2.6 millions en 1949. Le montant des billets des banques à charte a diminué d'environ \$2.3 millions pendant l'année.

PLACEMENTS

Le portefeuille d'obligations fédérales et provinciales de la Banque était de \$2,009,231,066 au 31 décembre 1949 et avait diminué de \$3,515,089 pendant l'année.

PROFITS ET PERTES

Le profit net de nos opérations en 1949, déduction faite des provisions pour éventualités et réserves, est de \$20,667,379.11. Le paiement d'un dividende de \$225,000 sur les actions au nom du ministre des Finances, laisse un montant de \$20,442,378.11 par rapport à \$19,107,147.20 en 1948. En conformité de l'article 31(c) de la Loi sur la Banque du Canada, la totalité de ce surplus a été versée au Receveur général et placée au crédit du Fonds du revenu consolidé.

LE TAUX DE LA BANQUE

Le taux de la Banque est demeuré fixe à 1½ p. 100 en 1949. Comme au cours des années précédentes, les banques à charte ont eu peu d'occasions de nous demander des emprunts.

PERSONNEL

M. Donald Gordon, qui était sous-gouverneur de la Banque depuis 1938, a laissé son poste le 31 décembre pour devenir président du conseil d'administration et président des chemins de fer Nationaux du Canada. En acceptant avec regret sa démission, le Conseil d'administration rend témoignage aux grands services rendus par M. Gordon. Il est entré à la Banque quand elle était en voie d'organisation, et depuis cette époque nous avons eu l'avantage de son précieux concours. Je tiens à profiter de cette occasion pour remercier vivement M. Gordon de son aide et de sa collaboration au cours des années pendant lesquelles nous avons été collègues à la Banque.

Le Conseil d'administration a nommé M. J. E. Coyne au poste de sous-gouverneur pour sept ans à partir du 1er janvier 1950. La nomination a été approuvée par le Gouverneur en conseil. Depuis son entrée à la Banque en 1938, M. Coyne a rempli un grand nombre de fonctions. Ces dernières années, il était adjoint exécutif des gouverneurs et conseiller en valeurs. C'est avec plaisir que je lui souhaite la bienvenue à titre de collègue dans son rôle de sous-gouverneur.

Le personnel de la Banque se chiffrait à 1,396 au 31 décembre 1949, par comparaison avec 1,382 à la même date l'an dernier. Quelques petites additions dans certains services ont été presque entièrement contre-balancées par des réductions dans d'autres.

En terminant, je tiens à exprimer mes sincères remerciements aux membres du personnel pour leurs excellents services et leur sincère collaboration au cours de l'année.

Veuillez agréer, monsieur le ministre, l'expression de mes meilleurs sentiments.

Le gouverneur,

G. F. TOWERS.

B. When the application is for the purpose of amending an existing Act,—

1. For an extension of any line of railway, or of any canal; or for the construction of branches thereto.—The same *mutatis mutandis* as for an Act to incorporate a Railway or Canal Company.

110. Petitions for private bills shall only be received by the Senate if filed with the Clerk of the Senate within the first six weeks of the Session, and every private bill originating in the Senate shall be presented to the Senate within two weeks after the petition therefor has been favourably reported upon by the examiner of petitions or by the Committee on Standing Orders, and no motion for the suspension of this standing order shall be entertained unless a report has been first made by the Committee on Standing Orders recommending such suspension.

Clerk of the Senate.

SÉNAT

Avis de bills privés

107. Toute demande adressée au Parlement pour obtenir un bill privé doit être annoncée par avis publié dans la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et désigner l'adresse des signataires; et si la demande a pour objet l'obtention d'une loi en constitution de corporation, l'avis doit aussi mentionner le nom de la compagnie dont la constitution est projetée.

Outre l'avis dans la *Gazette du Canada*, comme susdit, pareil avis doit être donné de la façon suivante:

(A) Lorsque la demande a pour objet l'obtention d'une loi constituant en corporation:

1. Une compagnie de chemin de fer ou de canal—dans un des principaux journaux de la principale cité, ville ou village de chaque comté ou district par où doit passer le chemin de fer ou le canal dont la constitution est projetée;

2. Une compagnie de télégraphe ou de téléphone—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire dans lequel la compagnie se propose d'exercer des opérations;

3. Une compagnie ayant pour objet l'exécution d'entreprises dont l'exécution ou l'exploitation pourrait spécialement affecter une localité particulière, ou cherchant à obtenir des droits ou privilèges exclusifs ou voulant accomplir toute affaire ou chose dont l'accomplissement affecterait les droits ou propriétés d'autrui—dans un des principaux journaux de l'endroit ou des endroits particuliers que le projet de loi peut affecter;

4. Une compagnie de banque; compagnie d'assurance; compagnie fiduciaire; compagnie de prêt ou

compagnie industrielle, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement.

5. Et si les entreprises d'une compagnie (constituée ou à constituer) doivent être déclarées d'utilité publique au Canada, cette intention doit être expressément mentionnée dans l'avis, et les requérants doivent adresser une copie de cet avis, sous pli recommandé, au secrétaire de chaque conseil de comté et de chaque corporation municipale pouvant être particulièrement affectée par l'exécution ou l'exploitation de ces entreprises, ainsi qu'au secrétaire de la province dans laquelle ces entreprises sont ou peuvent être situées; et la preuve de l'observation de cette prescription par les requérants doit être établie par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier une loi existante:

1. Afin de prolonger une ligne de chemin de fer ou un canal ou de construire des embranchements qui s'y relient—l'avis doit être le même *mutatis mutandis* que celui pour l'obtention d'une loi constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres entreprises déjà autorisées—dans un des principaux journaux de l'endroit où la compagnie a ou est autorisée à avoir son siège social;

3. Afin d'élargir les pouvoirs d'une compagnie (sans comporter attribution de droits exclusifs); d'accroître ou de réduire le capital social d'une compagnie; ou d'augmenter ou modifier son pouvoir d'émettre des obligations ou ses autres pouvoirs d'emprunt; ou de présenter un amendement pouvant porter atteinte aux droits ou aux intérêts des actionnaires, des détenteurs d'obligations ou des créanciers de la compagnie—dans un des principaux journaux du lieu de son siège social.

(C) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, doivent être publiés au moins une fois par semaine pendant quatre semaines consécutives; et lorsqu'ils sont publiés dans les provinces de Québec et du Manitoba, ils doivent être en langues anglaise et française.

Des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis doivent être adressés au greffier du Sénat et porter la mention: "Avis de bill privé"; au lieu de journaux, une

déclaration statutaire attestant que l'avis a été régulièrement publié peut être adressée au greffier du Sénat.

Tout avis adressé sous pli recommandé doit être mis à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale deux semaines au moins avant l'examen de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait de la mise à la poste doit être transmise au greffier du Sénat.

108. Nulle pétition demandant la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal ou le prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, ne doit être étudiée par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé de l'entreprise, ainsi que chaque comté, canton, district ou municipalité par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement dont la construction est projetée.

110. Toute pétition tendant à obtenir un bill privé ne sera reçue par le Sénat que si elle a été déposée chez le greffier du Sénat au cours des six premières semaines de la session; et tout bill privé introduit au Sénat doit être présenté au Sénat dans un délai de deux semaines après que l'examineur des pétitions ou le comité des ordres permanents aura fait un rapport favorable à la pétition se rapportant à ce bill; et aucune motion demandant la suspension du présent ordre permanent ne sera prise en considération à moins que le comité des ordres permanents n'ait au préalable présenté un rapport recommandant pareille suspension.

114. Toute personne qui désire présenter un bill privé doit remettre au greffier du Sénat, s'il est projeté que le bill prenne naissance au Sénat, une copie du bill en anglais ou en français, avec un montant suffisant pour en payer la traduction, laquelle sera faite par les fonctionnaires du Sénat; elle doit aussi payer les frais d'impression de 600 exemplaires anglais et de 200 exemplaires français. Le requérant doit pareillement verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant sa mise à l'étude par le comité auquel il est renvoyé, la somme de deux cents dollars avec les frais d'impression de la loi pour l'incorporer dans les Statuts; et il doit remettre au greffier de ce comité un reçu de ce versement.

La taxe à acquitter lors de la deuxième lecture d'un bill n'est payée qu'à la Chambre où le bill est présenté.

Modèle d'un bill amendant une loi

60A.—(1) Dans la confection des bills amendant des textes législatifs existants, les amendements ne doivent pas ordinairement être effectués au moyen de clauses qui ajoutent, retranchent ou remplacent des mots, mais au moyen de clauses qui réédient l'article, le paragraphe ou la disposition, telle qu'amendée.

(2) Dans le texte du bill sur la page de gauche, le nouveau texte doit être indiqué par les signes typographiques les plus appropriés à chaque cas: crochets, italiques, texte souligné, astérisques, etc. En regard de chaque clause, sur la page de droite, le texte amendé par le bill ou la partie importante de ce texte doit être imprimé, et les changements projetés doivent y être indiqués de la manière prévue ci-dessus.

(3) Lorsqu'une clause abroge un article existant, un paragraphe ou une autre disposition d'un article, cet article, ce paragraphe ou cette autre disposition,

ou la partie qui en est importante, doit être imprimé en regard de la clause.

(4) Un mémoire du rédacteur expliquant brièvement les motifs de chaque clause doit être annexé au bill, ou distribué avec le bill. Lorsque possible, le mémoire doit être imprimé sur la page de droite du bill, en paragraphes placés en regard des clauses visées, et portant un numéro correspondant.

(5) Les règles ci-dessus s'appliquent, autant que possible, à la réimpression des bills.

L. C. MOYER,
Greffier du Sénat.

CHAMBRE DES COMMUNES

EXTRAIT DU RÈGLEMENT DE LA CHAMBRE DES COMMUNES TOUCHANT LA PUBLICATION DES AVIS

95. (1) Toute pétition introductive de bill privé de quelque nature qu'il soit, doit être annoncé par avis publié dans la *Gazette du Canada*. Cet avis doit exposer clairement et distinctement la nature et l'objet du bill projeté; il doit être signé par les pétitionnaires ou en leur nom, avec indication de l'adresse des signataires. Si la pétition tend à une loi de constitution en corporation, l'avis doit mentionner le nom de la compagnie projetée. Si les travaux d'une compagnie, qu'elle soit constituée en corporation ou qu'il s'agisse de la constituer en corporation doivent être reconnus comme étant destinés à profiter au Canada d'une manière générale, l'avis doit énoncer cette intention expressément, et les pétitionnaires doivent faire parvenir une copie de cet avis par lettre recommandée au secrétaire de chaque comté ou municipalité que la construction ou la mise en œuvre de ces ouvrages peut intéresser, ainsi qu'au secrétaire de la province où ces mêmes ouvrages sont ou pourront être situés. Tout avis ainsi expédié par lettre recommandée doit être mis à la poste assez tôt pour arriver à destination au moins deux semaines avant la prise en considération du bill par le comité auquel il peut être renvoyé. La preuve que les requérants se sont conformés à cette règle s'établit au moyen d'une déclaration statutaire.

(2) Outre l'avis devant figurer dans la *Gazette du Canada*, il doit en être publié un semblable dans quelque journal important, comme suit:

(A) 1. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de chemin de fer ou de canal; cet avis similaire doit être publié dans la principale cité, ville ou municipalité de village de chaque comté ou district que doit traverser le chemin de fer ou le canal projeté;

2. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de télégraphe ou de téléphone, cet avis similaire doit être publié dans la principale cité ou ville de chaque province ou territoire où la compagnie en question se propose d'établir son service;

3. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie créée en

vue de la construction de tous ouvrages dont l'établissement ou la mise en œuvre pourrait intéresser tout particulièrement une localité quelconque, ou en vue de tous droits ou privilèges exclusifs, ou encore en vue de toute opération qui pourrait porter atteinte aux droits ou aux biens d'autrui, cet avis similaire doit être publié dans les diverses localités où la loi projetée pourrait porter atteinte aux affaires, droits ou biens d'autres personnes ou compagnies;

4. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation un établissement bancaire, une compagnie d'assurance, une compagnie de fiducie, une compagnie de prêts ou une compagnie industrielle non dotée de pouvoirs exclusifs, il suffit d'un avis dans la *Gazette du Canada*.

(B) 1. Lorsque la pétition a pour objet de modifier une loi existante en vue de prolongement de tout chemin de fer ou canal ou de la construction d'un embranchement de voie ferrée ou de canal, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité, ville ou municipalité de village de chaque comté ou district devant être desservi par ce prolongement ou cet embranchement.

2. Lorsque la pétition a pour objet de modifier une loi existante en vue de prorogation du délai fixé pour la construction ou l'achèvement de toute ligne de chemin de fer, de tout embranchement ou prolongement de ligne de chemin de fer, de tout canal, de tout réseau télégraphique ou téléphonique, ou de tout ouvrage déjà autorisé, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité ou ville de chaque district intéressé.

3. Lorsque la pétition a pour objet de modifier une loi existante en vue de la continuation d'une charte ou de l'extention des pouvoirs d'une compagnie (quand elle ne comporte pas la concession de droits exclusifs); ou en vue de l'augmentation ou de la réduction du capital-actions d'une compagnie quelconque; ou en vue de l'accroissement ou de la modification de sa faculté d'émettre des obligations ou de contracter des emprunts d'un autre genre; ou encore en vue de toute modification touchant aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, il est publié un avis à l'endroit où est situé le siège social de la compagnie ou à l'endroit où la compagnie est autorisée à établir son siège social.

(C) Lorsque la pétition a pour objet d'obtenir, pour quelque personne ou corporation existante, des droits ou privilèges exclusifs, ou encore la faculté d'accomplir une chose dont la mise en œuvre intéresserait les droits ou biens d'autrui, il est publié un avis dans les localités où les affaires, les droits ou les biens d'autrui peuvent être spécialement compromis par la loi projetée.

(3) Tout avis de ce genre, qu'il soit inséré dans la *Gazette du Canada* ou dans un journal, doit être publié au moins une fois par semaine durant une période de quatre semaines consécutives. Lorsque la pétition prend naissance dans la province de Québec ou dans la province du Manitoba, l'avis en doit être publié en anglais dans un journal anglais et en français dans un journal français, ainsi qu'en anglais et en français dans la *Gazette du Canada*. S'il n'y a pas de journal dans la localité où il faut annoncer ladite pétition, l'avis doit être publié à l'endroit le plus rapproché où est imprimé un journal. La preuve que l'avis en question a été dûment publié s'établit, dans chaque cas, par voie de déclaration statutaire. Toute déclaration de cette nature doit

être envoyée au greffier de la Chambre, et elle doit porter au dos l'indication: "Avis de bill privé".

Pétitions introductives de bills privés

92. Nulle pétition introductive de bill privé n'est reçue par la Chambre, si elle n'est pas présentée dans les six premières semaines de la session. Tout bill privé prenant naissance à la Chambre des communes doit y être présenté dans les deux semaines qui suivent le jour où la pétition a été rapportée favorablement par l'examineur des pétitions ou par le comité du Règlement. Nulle motion portant suspension du présent article ne peut être accueillie à moins que le comité du Règlement n'ait préalablement présenté un rapport recommandant cette suspension, en y consignant les motifs de sa décision.

97. Nulle pétition portant constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie se proposant d'exploiter un canal, ou portant prolongement d'une ligne de chemin de fer ou d'un canal existant ou autorisé, ou portant construction d'un embranchement de voie ferrée ou de canal, ne sera prise en considération par l'examineur, ou par le comité du Règlement, tant qu'il n'aura pas été déposé entre les mains dudit examinateur une carte ou un plan indiquant l'endroit où se trouveront ces ouvrages, et chaque comté, canton, municipalité ou district à travers lequel le chemin de fer, le canal, le prolongement ou l'embranchement projeté doit être construit.

Bills privés

93. (1) Quiconque désire obtenir un bill privé doit déposer entre les mains du greffier de la Chambre, au plus tard le premier jour de la session, une copie de ce bill en anglais ou en français, ainsi qu'une somme suffisante pour en défrayer la traduction qui est faite par le personnel de la Chambre, et l'impression, qui est exécutée par le département des impressions publiques.

(2) Le promoteur d'un bill privé doit, après la deuxième lecture de ce bill et avant sa prise en considération par le comité qui en est saisi, défrayer l'impression de la loi dans le recueil des statuts et payer un droit de cinq cents dollars.

FRAIS ADDITIONNELS

(3) En sus des frais précités, les droits suivants doivent être imposés et payés:

a) Lorsqu'il y a suspension d'un article du Règlement relativement à un bill ou à la pétition introductive qui s'y rattache	\$ 100
b) Lorsqu'un bill est présenté en Chambre après la huitième semaine et avant l'expiration de la douzième semaine de la session.....	100
c) Lorsqu'un bill est présenté en Chambre après la douzième semaine de la session	200
d) Lorsque le capital-actions projeté d'une compagnie ne dépasse pas \$250,000....	100
e) Lorsque le capital-actions projeté d'une compagnie dépasse \$250,000, mais n'est pas supérieur à \$500,000.....	200
f) Lorsque le capital-actions projeté d'une compagnie dépasse \$500,000, mais n'est pas supérieur à \$750,000.....	300
g) Lorsque le capital-actions projeté d'une compagnie dépasse \$750,000, mais n'est pas supérieur à \$1,000,000.....	400
h) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,000,000, mais n'est pas supérieur à \$1,500,000.....	600

- i) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,500,000, mais n'est pas supérieur à \$2,000,000..... 800
- j) Pour chaque million de dollars de capital-actions additionnel ou fraction de million 200

(4) Lorsqu'un bill porte augmentation du capital-actions d'une compagnie existante, le droit additionnel à déboursier est basé sur le tarif précité, et il n'y est fait état que du montant de l'accroissement.

(5) a) Lorsqu'un bill tend à l'augmentation de la faculté d'emprunt d'une compagnie ou en comporte l'augmentation sans qu'il y ait accroissement du capital-actions, le droit additionnel est de trois cents dollars.

b) Lorsqu'un bill porte augmentation à la fois du capital-actions et de la faculté d'emprunt d'une compagnie, le droit additionnel est perçu sur les deux.

(6) Si, à quelque phase du bill il y a augmentation du capital-actions projeté d'une compagnie ou de sa faculté d'emprunt, le bill en question ne peut franchir une autre étape tant que ses promoteurs n'auront pas soldé les frais occasionnés par cette modification.

(7) Dans la présente règle, l'expression "capital-actions projeté" comprend toute augmentation de capital-actions prévue par le bill; et quand le bill porte faculté d'augmenter à quelque époque le chiffre du capital-actions, le droit additionnel est calculé sur le maximum de l'augmentation projetée, dont le bill fait mention.

(8) Les droits additionnels établis par la présente règle s'appliquent aussi aux bills privés qui ont pris naissance au Sénat; néanmoins si la pétition introductive d'un bill privé de ce genre a été présentée à la Chambre des communes dans les six premières semaines de la session, les droits additionnels prévus aux alinéas b) et c) du paragraphe 3 ne sont pas exigibles.

Du bill-type

96. (1) Le greffier en chef des bills privés remplit les fonctions d'examineur des bills privés, et, comme tel, il est tenu d'étudier et de reviser tous les bills privés antérieurement à leur impression, en vue d'y établir une certaine uniformité, lorsque la chose est possible, et de s'assurer qu'ils ont été élaborés conformément aux articles du Règlement de la Chambre relatifs aux bills privés.

(2) Tout bill tendant à la constitution en corporation d'une compagnie doit, lorsqu'il a été adopté une formule de bill-type, être rédigé en conformité de ce modèle dont il peut être obtenu des exemplaires du greffier de la Chambre. Toute disposition d'un bill de ce genre qui n'est pas conforme au bill-type doit être insérée entre crochets ou soulignée, et elle doit être imprimée de la sorte.

(3) Lorsqu'un bill privé porte modification d'un article, paragraphe ou alinéa quelconque d'une loi existante, ce même article, paragraphe ou alinéa selon la modification que les auteurs du bill veulent y apporter, la nouvelle rédaction devant être soulignée. L'article, le paragraphe ou alinéa que les auteurs veulent faire abroger, ou encore ce qu'il renferme d'essentiel, doit être imprimé sur la feuille du côté droit en regard de ce même article, paragraphe ou alinéa.

(4) Lorsqu'un bill privé tend à abroger un article, paragraphe ou autre partie d'un article, cet article, ce paragraphe ou cette autre partie, ou encore ce qui

s'y trouve d'essentiel, doit être imprimé en regard de l'article du bill.

(5) Une note établissant brièvement l'objet d'une disposition d'un caractère exceptionnel ou dont la teneur s'écarte des dispositions du bill-type, ou des articles servant de modèle, doit être imprimée en regard de l'article du bill.

CARTE OU PLAN ACCOMPAGNANT LE BILL

98. Nul bill portant constitution en corporation d'une compagnie de chemin de fer ou de canal, nul bill tendant à faire autoriser la construction d'embranchements ou de prolongements se rattachant à des lignes de chemins de fer ou à des canaux existants, nul bill portant modification de la route suivie par un chemin de fer ou un canal exploité par une compagnie déjà constituée en corporation ne doit être pris en considération par le comité des chemins de fer tant qu'il n'aura pas été produit devant ledit comité, au moins une semaine avant la prise en considération du bill, une carte ou un plan établi sur une échelle d'au moins un demi-pouce au mille indiquant le territoire sur lequel il est question de construire les ouvrages projetés et aussi les ouvrages analogues qui y ont déjà été construits ou autorisés, ou qui intéressent la région ou la partie de région devant être desservie par les services projetés. Cette carte ou ce plan doit porter la signature de l'ingénieur ou de toute autre personne qui l'a dressé.

107. All applications to Parliament for Private Bills, of any nature whatsoever, shall be advertised by a notice published in the *Canada Gazette*. Such notice shall clearly and distinctly state the nature and object of the application, and shall be signed by or on behalf of the applicants, with the address of the party signing the same; and when the application is for an Act of Incorporation, the name of the proposed company shall be stated in the notice. In addition to the notice in the *Canada Gazette* aforesaid, a similar notice shall be given as follows:

A. When the application is for an Act to incorporate,—

1. *A Railway or Canal Company.*—In some leading newspaper published in the principal city, town or village in each county or district through which the proposed railway or canal is to be constructed.

2. *A Telegraph or Telephone Company.*—In a leading newspaper in the principal city or town in each province or territory in which the company proposes to operate.

3. A company for the construction of any works which in their construction or operation might specially affect a particular locality or for obtaining any exclusive rights or privileges, or for doing any matter or thing which in its operation would affect the rights or property of others.—In a leading newspaper in the particular locality or localities which may be affected by the proposed Act.

4. *A Banking Company; an Insurance Company; a Trust Company; a Loan Company or an Industrial Company,* without any exclusive powers.—In the *Canada Gazette* only.

5. And, if the works of any company (incorporated or to be incorporated) are to be declared to be for the general advantage of Canada, such intention shall be specially mentioned in the notice; and the applicants shall cause a copy of such notice to be sent by registered letter to the clerk of each county council and of each municipal corporation which may be specially affected by the construction or operation of such works, and also, to the Secretary of the Province in which such works are, or may be located; and proof of compliance with this requirement by the applicants shall be established by statutory declaration.

B. When the application is for the purpose of amending an existing Act,—

1. For an extension of any line of railway, or of any canal; or for the construction of branches thereto.—The same *mutatis mutandis* as for an Act to incorporate a Railway or Canal Company.

2. For an extension of the time for the construction or completion of any line of railway, or of any canal, or of any telegraph or telephone line, or of any other works already authorized.—In a principal newspaper in the place where the head office of the company is, or is authorized to be.

3. For the extension of the powers of a company (when not involving the granting of any exclusive rights) or for the increase or reduction of the capital stock of any company; or for increasing or altering its bonding or other borrowing powers; or for any amendment which would in any way affect the rights or interest of the shareholders or bondholders or creditors of the company.—In a principal newspaper in the place where the head office of the company is situated.

C. All such notices, whether inserted in the *Canada Gazette* or in a newspaper, shall be published at least once a week for a period of four consecutive weeks; and when published in the Provinces of Quebec and Manitoba shall be in both the English and French languages; and marked copies of each issue of all newspapers containing any such notice shall be sent to the Clerk of the Senate, endorsed "Private Bill Notice", or a statutory declaration as to due publication may be sent in lieu thereof.

Every notice by registered letter shall be mailed in time to reach the Secretary of the Province and the clerk of each county council and municipal corporation not less than two weeks before the consideration of the petition by the Committee on Standing Orders: and a statutory declaration establishing the fact of such mailing shall be sent to the Clerk of the Senate.

108. No petition praying for the incorporation of a Railway Company, or of a Canal Company, or for an extension of the line of any existing or authorized railway or canal, shall be considered by the Standing Orders Committee, until there has been filed with the Committee a map or plan, showing the proposed location of the works, and each county, township, district or municipality through which the proposed railway or canal, or any branch or extension thereof, is to be constructed.

110. Petitions for private bills shall only be received by the Senate if filed with the Clerk of the Senate within the first six weeks of the Session, and every private bill originating in the Senate shall be presented to the Senate within two weeks after the petition therefor has been favourably reported upon by the examiner of petitions or by the Committee on Standing Orders, and no motion for the suspension of this standing order shall be entertained unless a report has been first made by the Committee on Standing Orders recommending such suspension.

114. Any person seeking to obtain a Private Bill shall deposit with the Clerk of the Senate, if it is intended that the Bill shall originate in the Senate, a copy of such Bill in the English or French language, with a sum sufficient to pay for the translation of the same by the officers of the Senate, and the printing of 600 copies in English and 200 in French. The applicant shall also pay the Clerk of the Senate, immediately after second reading and before consideration of the Bill by the Committee to which it is referred, a sum of \$200, with the cost of printing the Act in the Statutes, and lodge the receipt for the same with the Clerk of such Committee.

The fee payable on the second reading of any Private Bill is paid only in the House in which it is introduced.

which re-enact the section, subsection or other minor division, as it is amended.

(2) In the text of the Bill, on the left hand page, new matter shall be indicated by such typographical means as may best suit the varying circumstances of each case, such as brackets, italics, underlining, asterisks, etc. Opposite each clause, on the right hand page, the enactment amended thereby, or so much thereof as is essential, shall be printed with the proposed changes to be made therein similarly indicated.

(3) When a clause repeals an existing section, subsection or other minor division of a section, that section, subsection or division, or so much thereof as is essential, shall be printed opposite the clause.

(4) A memorandum by the draftsman explaining briefly the reason for each clause, shall be appended to the Bill, or distributed therewith. Whenever practicable the memorandum shall be printed on the right hand page of the Bill, in paragraphs opposite the clause referred to and numbered correspondingly.

(5) The above rules shall also as far as practicable apply to the reprinting of Bills.

L. C. MOYER,
Clerk of the Senate.

SÉNAT

Avis de bills privés

107. Toute demande adressée au Parlement pour obtenir un bill privé doit être annoncée par avis publié dans la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et désigner l'adresse des signataires; et si la demande a pour objet l'obtention d'une loi en constitution de corporation, l'avis doit aussi mentionner le nom de la compagnie dont la constitution est projetée.

Outre l'avis dans la *Gazette du Canada*, comme susdit, pareil avis doit être donné de la façon suivante:

(A) Lorsque la demande a pour objet l'obtention d'une loi constituant en corporation:

1. Une compagnie de chemin de fer ou de canal—dans un des principaux journaux de la principale cité, ville ou village de chaque comté ou district par où doit passer le chemin de fer ou le canal dont la constitution est projetée;

2. Une compagnie de télégraphe ou de téléphone—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire dans lequel la compagnie se propose d'exercer des opérations;

3. Une compagnie ayant pour objet l'exécution d'entreprises dont l'exécution ou l'exploitation pourrait spécialement affecter une localité particulière, ou cherchant à obtenir des droits ou privilèges exclusifs ou voulant accomplir toute affaire ou chose dont l'accomplissement affecterait les droits ou propriétés d'autrui—dans un des principaux journaux de l'endroit ou des endroits particuliers que le projet de loi peut affecter;

4. Une compagnie de banque; compagnie d'assurance; compagnie fiduciaire; compagnie de prêt ou compagnie industrielle, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement.

5. Et si les entreprises d'une compagnie (constituée ou à constituer) doivent être déclarées d'utilité publique au Canada, cette intention doit être expressément mentionnée dans l'avis, et les requérants doivent adresser une copie de cet avis, sous pli recommandé, au secrétaire de chaque conseil de comté et de chaque corporation municipale pouvant être particulièrement affectée par l'exécution ou l'exploitation de ces entreprises, ainsi qu'au secrétaire de la province dans laquelle ces entreprises sont ou peuvent être situées; et la preuve de l'observation de cette prescription par les requérants doit être établie par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier une loi existante:

1. Afin de prolonger une ligne de chemin de fer ou un canal ou de construire des embranchements qui s'y relient—l'avis doit être le même *mutatis mutandis* que celui pour l'obtention d'une loi constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres entreprises déjà autorisées—dans un des principaux journaux de l'endroit où la compagnie a ou est autorisée à avoir son siège social;

3. Afin d'élargir les pouvoirs d'une compagnie (sans comporter attribution de droits exclusifs); d'accroître ou de réduire le capital social d'une compagnie; ou d'augmenter ou modifier son pouvoir d'émettre des obligations ou ses autres pouvoirs

d'emprunt; ou de présenter un amendement pouvant porter atteinte aux droits ou aux intérêts des actionnaires, des détenteurs d'obligations ou des créanciers de la compagnie—dans un des principaux journaux du lieu de son siège social.

(C) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, doivent être publiés au moins une fois par semaine pendant quatre semaines consécutives; et lorsqu'ils sont publiés dans les provinces de Québec et du Manitoba, ils doivent être en langues anglaise et française.

Des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis doivent être adressés au greffier du Sénat et porter la mention: "Avis de bill privé"; au lieu de journaux, une déclaration statutaire attestant que l'avis a été régulièrement publié peut être adressée au greffier du Sénat.

Tout avis adressé sous pli recommandé doit être mis à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale deux semaines au moins avant l'examen de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait de la mise à la poste doit être transmise au greffier du Sénat.

108. Nulle pétition demandant la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal ou le prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, ne doit être étudiée par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé de l'entreprise, ainsi que chaque comté, canton, district ou municipalité par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement dont la construction est projetée.

110. Toute pétition tendant à obtenir un bill privé ne sera reçue par le Sénat que si elle a été déposée chez le greffier du Sénat au cours des six premières semaines de la session; et tout bill privé introduit au Sénat doit être présenté au Sénat dans un délai de deux semaines après que l'examineur des pétitions ou le comité des ordres permanents aura fait un rapport favorable à la pétition se rapportant à ce bill; et aucune motion demandant la suspension du présent ordre permanent ne sera prise en considération à moins que le comité des ordres permanents n'ait au préalable présenté un rapport recommandant pareille suspension.

114. Toute personne qui désire présenter un bill privé doit remettre au greffier du Sénat, s'il est projeté que le bill prenne naissance au Sénat, une copie du bill en anglais ou en français, avec un montant suffisant pour en payer la traduction, laquelle sera faite par les fonctionnaires du Sénat; elle doit aussi payer les frais d'impression de 600 exemplaires anglais et de 200 exemplaires français. Le requérant doit pareillement verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant sa mise à l'étude par le comité auquel il est renvoyé, la somme de deux cents dollars avec les frais d'impression de la loi pour l'incorporer dans les Statuts; et il doit remettre au greffier de ce comité un reçu de ce versement.

La taxe à acquitter lors de la deuxième lecture d'un bill n'est payée qu'à la Chambre où le bill est présenté.

Modèle d'un bill amendant une loi

60A.—(1) Dans la confection des bills amendant des textes législatifs existants, les amendements ne doivent pas ordinairement être effectués au moyen de clauses qui ajoutent, retranchent ou remplacent

des mots, mais au moyen de clauses qui rééditent l'article, le paragraphe ou la disposition, telle qu'amendée.

(2) Dans le texte du bill sur la page de gauche, le nouveau texte doit être indiqué par les signes typographiques les plus appropriés à chaque cas: crochets, italiques, texte souligné, astérisques, etc. En regard de chaque clause, sur la page de droite, le texte amendé par le bill ou la partie importante de ce texte doit être imprimé, et les changements projetés doivent y être indiqués de la manière prévue ci-dessus.

(3) Lorsqu'une clause abroge un article existant, un paragraphe ou une autre disposition d'un article, cet article, ce paragraphe ou cette autre disposition, ou la partie qui en est importante, doit être imprimé en regard de la clause.

(4) Un mémoire du rédacteur expliquant brièvement les motifs de chaque clause doit être annexé au bill, ou distribué avec le bill. Lorsque possible, le mémoire doit être imprimé sur la page de droite du bill, en paragraphes placés en regard des clauses visées, et portant un numéro correspondant.

(5) Les règles ci-dessus s'appliquent, autant que possible, à la réimpression des bills.

L. C. MOYER,
Greffier du Sénat.

CHAMBRE DES COMMUNES

EXTRAIT DU RÈGLEMENT DE LA CHAMBRE DES COMMUNES TOUCHANT LA PUBLICATION DES AVIS

95. (1) Toute pétition introductive de bill privé de quelque nature qu'il soit, doit être annoncé par avis publié dans la *Gazette du Canada*. Cet avis doit exposer clairement et distinctement la nature et l'objet du bill projeté; il doit être signé par les pétitionnaires ou en leur nom, avec indication de l'adresse des signataires. Si la pétition tend à une loi de constitution en corporation, l'avis doit mentionner le nom de la compagnie projetée. Si les travaux d'une compagnie, qu'elle soit constituée en corporation ou qu'il s'agisse de la constituer en corporation doivent être reconnus comme étant destinés à profiter au Canada d'une manière générale, l'avis doit énoncer cette intention expressément, et les pétitionnaires doivent faire parvenir une copie de cet avis par lettre recommandée au secrétaire de chaque comté ou municipalité que la construction ou la mise en œuvre de ces ouvrages peut intéresser, ainsi qu'au secrétaire de la province où ces mêmes ouvrages sont ou pourront être situés. Tout avis ainsi expédié par lettre recommandée doit être mis à la poste assez tôt pour arriver à destination au moins deux semaines avant la prise en considération du bill par le comité auquel il peut être renvoyé. La preuve que les requérants se sont conformés à cette règle s'établit au moyen d'une déclaration statutaire.

(2) Outre l'avis devant figurer dans la *Gazette du Canada*, il doit en être publié un semblable dans quelque journal important, comme suit:

(A) 1. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de chemin de fer ou de canal; cet avis similaire doit être publié dans la principale cité, ville ou municipalité de village de chaque comté ou district que doit traverser le chemin de fer ou le canal projeté;

2. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de télégraphe ou de téléphone, cet avis similaire doit être publié dans la principale cité ou ville de chaque province ou territoire où la compagnie en question se propose d'établir son service;

3. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie créée en vue de la construction de tous ouvrages dont l'établissement ou la mise en œuvre pourrait intéresser tout particulièrement une localité quelconque, ou en vue de tous droits ou privilèges exclusifs, ou encore en vue de toute opération qui pourrait porter atteinte aux droits ou aux biens d'autrui, cet avis similaire doit être publié dans les diverses localités où la loi projetée pourrait porter atteinte aux affaires, droits ou biens d'autres personnes ou compagnies;

4. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation un établissement bancaire, une compagnie d'assurance, une compagnie de fiducie, une compagnie de prêts ou une compagnie industrielle non dotée de pouvoirs exclusifs, il suffit d'un avis dans la *Gazette du Canada*.

(B) 1. Lorsque la pétition a pour objet de modifier une loi existante en vue de prolongement de tout chemin de fer ou canal ou de la construction d'un embranchement de voie ferrée ou de canal, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité, ville ou municipalité de village de chaque comté ou district devant être desservi par ce prolongement ou cet embranchement.

2. Lorsque la pétition a pour objet de modifier une loi existante en vue de prorogation du délai fixé pour la construction ou l'achèvement de toute ligne de chemin de fer, de tout embranchement ou prolongement de ligne de chemin de fer, de tout canal, de tout réseau télégraphique ou téléphonique, ou de tout ouvrage déjà autorisé, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité ou ville de chaque district intéressé.

3. Lorsque la pétition a pour objet de modifier une loi existante en vue de la continuation d'une charte ou de l'extention des pouvoirs d'une compagnie (quand elle ne comporte pas la concession de droits exclusifs); ou en vue de l'augmentation ou de la réduction du capital-actions d'une compagnie quelconque; ou en vue de l'accroissement ou de la modification de sa faculté d'émettre des obligations ou de contracter des emprunts d'un autre genre; ou encore en vue de toute modification touchant aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, il est publié un avis à l'endroit où est situé le siège social de la compagnie ou à l'endroit où la compagnie est autorisée à établir son siège social.

(C) Lorsque la pétition a pour objet d'obtenir, pour quelque personne ou corporation existante, des droits ou privilèges exclusifs, ou encore la faculté d'accomplir une chose dont la mise en œuvre intéresserait les droits ou biens d'autrui, il est publié un avis dans les localités où les affaires, les droits ou les biens d'autrui peuvent être spécialement compromis par la loi projetée.

(3) Tout avis de ce genre, qu'il soit inséré dans la *Gazette du Canada* ou dans un journal, doit être publié au moins une fois par semaine durant une période de quatre semaines consécutives. Lorsque la pétition prend naissance dans la province de Québec ou dans la province du Manitoba, l'avis en doit être publié en anglais dans un journal anglais et en français dans un journal français, ainsi qu'en anglais et en français dans la *Gazette du Canada*. S'il n'y a pas de journal dans la localité où il faut annoncer ladite pétition, l'avis doit être publié à l'endroit le plus rapproché où est imprimé un journal. La preuve que l'avis en question a été dûment publié s'établit, dans chaque cas, par voie de déclaration statutaire. Toute déclaration de cette nature doit être envoyée au greffier de la Chambre, et elle doit porter au dos l'indication: "Avis de bill privé".

Pétitions introductives de bills privés

92. Nulle pétition introductive de bill privé n'est reçue par la Chambre, si elle n'est pas présentée dans les six premières semaines de la session. Tout bill privé prenant naissance à la Chambre des communes doit y être présenté dans les deux semaines qui suivent le jour où la pétition a été rapportée favorablement par l'examineur des pétitions ou par le comité du Règlement. Nulle motion portant suspension du présent article ne peut être accueillie à moins que le comité du Règlement n'ait préalablement présenté un rapport recommandant cette suspension, en y consignant les motifs de sa décision.

97. Nulle pétition portant constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie se proposant d'exploiter un canal, ou portant prolongement d'une ligne de chemin de fer ou d'un canal existant ou autorisé, ou portant construction d'un embranchement de voie ferrée ou de canal, ne sera prise en considération par l'examineur, ou par le comité du Règlement, tant qu'il n'aura pas été déposé entre les mains dudit examinateur une carte ou un plan indiquant l'endroit où se trouveront ces ouvrages, et chaque comté, canton, municipalité ou district à travers lequel le chemin de fer, le canal, le prolongement ou l'embranchement projeté doit être construit.

Bills privés

93. (1) Quiconque désire obtenir un bill privé doit déposer entre les mains du greffier de la Chambre, au plus tard le premier jour de la session, une copie de ce bill en anglais ou en français, ainsi qu'une somme suffisante pour en défrayer la traduction qui est faite par le personnel de la Chambre, et l'impression, qui est exécutée par le département des impressions publiques.

(2) Le promoteur d'un bill privé doit, après la deuxième lecture de ce bill et avant sa prise en considération par le comité qui en est saisi, défrayer l'impression de la loi dans le recueil des statuts et payer un droit de cinq cents dollars.

FRAIS ADDITIONNELS

(3) En sus des frais précités, les droits suivants doivent être imposés et payés:

- a) Lorsqu'il y a suspension d'un article du Règlement relativement à un bill ou à la pétition introductive qui s'y rattache \$ 100
- b) Lorsqu'un bill est présenté en Chambre après la huitième semaine et avant l'expiration de la douzième semaine de la session..... 100
- c) Lorsqu'un bill est présenté en Chambre après la douzième semaine de la session 200

d) Lorsque le capital-actions projeté d'une compagnie ne dépasse pas \$250,000....	100
e) Lorsque le capital-actions projeté d'une compagnie dépasse \$250,000, mais n'est pas supérieur à \$500,000.....	200
f) Lorsque le capital-actions projeté d'une compagnie dépasse \$500,000, mais n'est pas supérieur à \$750,000.....	300
g) Lorsque le capital-actions projeté d'une compagnie dépasse \$750,000, mais n'est pas supérieur à \$1,000,000.....	400
h) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,000,000, mais n'est pas supérieur à \$1,500,000.....	600
i) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,500,000, mais n'est pas supérieur à \$2,000,000.....	800
j) Pour chaque million de dollars de capital-actions additionnel ou fraction de million	200

(4) Lorsqu'un bill porte augmentation du capital-actions d'une compagnie existante, le droit additionnel à déboursier est basé sur le tarif précité, et il n'y est fait état que du montant de l'accroissement.

(5) a) Lorsqu'un bill tend à l'augmentation de la faculté d'emprunt d'une compagnie ou en comporte l'augmentation sans qu'il y ait accroissement du capital-actions, le droit additionnel est de trois cents dollars.

b) Lorsqu'un bill porte augmentation à la fois du capital-actions et de la faculté d'emprunt d'une compagnie, le droit additionnel est perçu sur les deux.

(6) Si, à quelque phase du bill il y a augmentation du capital-actions projeté d'une compagnie ou de sa faculté d'emprunt, le bill en question ne peut franchir une autre étape tant que ses promoteurs n'auront pas soldé les frais occasionnés par cette modification.

(7) Dans la présente règle, l'expression "capital-actions projeté" comprend toute augmentation de capital-actions prévue par le bill; et quand le bill porte faculté d'augmenter à quelque époque le chiffre du capital-actions, le droit additionnel est calculé sur le maximum de l'augmentation projetée, dont le bill fait mention.

(8) Les droits additionnels établis par la présente règle s'appliquent aussi aux bills privés qui ont pris naissance au Sénat; néanmoins si la pétition introductive d'un bill privé de ce genre a été présentée à la Chambre des communes dans les six premières semaines de la session, les droits additionnels prévus aux alinéas b) et c) du paragraphe 3 ne sont pas exigibles.

Du bill-type

96. (1) Le greffier en chef des bills privés remplit les fonctions d'examineur des bills privés, et, comme tel, il est tenu d'étudier et de reviser tous les bills privés antérieurement à leur impression, en vue d'y établir une certaine uniformité, lorsque la chose est possible, et de s'assurer qu'ils ont été élaborés conformément aux articles du Règlement de la Chambre relatifs aux bills privés.

(2) Tout bill tendant à la constitution en corporation d'une compagnie doit, lorsqu'il a été adopté une formule de bill-type, être rédigé en conformité de ce modèle dont il peut être obtenu des exemplaires du greffier de la Chambre. Toute disposition d'un bill de ce genre qui n'est pas conforme au bill-type doit être insérée entre crochets ou soulignée, et elle doit être imprimée de la sorte.

(3) Lorsqu'un bill privé porte modification d'un article, paragraphe ou alinéa quelconque d'une loi existante, ce même article, paragraphe ou alinéa selon la modification que les auteurs du bill veulent y apporter, la nouvelle rédaction devant être soulignée. L'article, le paragraphe ou alinéa que les auteurs veulent faire abroger, ou encore ce qui renferme d'essentiel, doit être imprimé sur la feuille du côté droit en regard de ce même article, paragraphe ou alinéa.

(4) Lorsqu'un bill privé tend à abroger un article, paragraphe ou autre partie d'un article, cet article, ce paragraphe ou cette autre partie, ou encore ce qui s'y trouve d'essentiel, doit être imprimé en regard de l'article du bill.

(5) Une note établissant brièvement l'objet d'une disposition d'un caractère exceptionnel ou dont la teneur s'écarte des dispositions du bill-type, ou des articles servant de modèle, doit être imprimée en regard de l'article du bill.

CARTE OU PLAN ACCOMPAGNANT LE BILL

98. Nul bill portant constitution en corporation d'une compagnie de chemin de fer ou de canal, nul bill tendant à faire autoriser la construction d'embranchements ou de prolongements se rattachant à des lignes de chemins de fer ou à des canaux existants, nul bill portant modification de la route suivie par un chemin de fer ou un canal exploité par une compagnie déjà constituée en corporation ne doit être pris en considération par le comité des chemins de fer tant qu'il n'aura pas été produit devant ledit comité, au moins une semaine avant la prise en considération du bill, une carte ou un plan établi sur une échelle d'au moins un demi-pouce au mille indiquant le territoire sur lequel il est question de construire les ouvrages projetés et aussi les ouvrages analogues qui y ont déjà été construits ou autorisés, ou qui intéressent la région ou la partie de région devant être desservie par les services projetés. Cette carte ou ce plan doit porter la signature de l'ingénieur ou de toute autre personne qui l'a dressé.

B. When the application is for the purpose of amending an existing Act,—

1. For an extension of any line of railway, or of any canal; or for the construction of branches thereto.—The same *mutatis mutandis* as for an Act to incorporate a Railway or Canal Company.

110. Petitions for private bills shall only be received by the Senate if filed with the Clerk of the Senate within the first six weeks of the Session, and every private bill originating in the Senate shall be presented to the Senate within two weeks after the petition therefor has been favourably reported upon by the examiner of petitions or by the Committee on Standing Orders, and no motion for the suspension of this standing order shall be entertained unless a report has been first made by the Committee on Standing Orders recommending such suspension.

(2) In the text of the Bill, on the left hand page, new matter shall be indicated by such typographical means as may best suit the varying circumstances of each case, such as brackets, italics, underlining, asterisks, etc. Opposite each clause, on the right hand page, the enactment amended thereby, or so much thereof as is essential, shall be printed with the proposed changes to be made therein similarly indicated.

Whenever practicable the memorandum shall be printed on the right hand page of the Bill, in paragraphs opposite the clause referred to and numbered correspondingly.

(5) The above rules shall also as far as practicable apply to the reprinting of Bills.

L. C. MOYER,
Clerk of the Senate.

Avis de bills privés

107. Toute demande adressée au Parlement pour obtenir un bill privé doit être annoncée par avis publié dans la *Gazette du Canada*; cet avis doit

indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et désigner l'adresse des signataires; et si la demande a pour objet l'obtention d'une loi en constitution de corporation, l'avis doit aussi mentionner le nom de la compagnie dont la constitution est projetée.

Outre l'avis dans la *Gazette du Canada*, comme susdit, pareil avis doit être donné de la façon suivante:

(A) Lorsque la demande a pour objet l'obtention d'une loi constituant en corporation:

1. Une compagnie de chemin de fer ou de canal—dans un des principaux journaux de la principale cité, ville ou village de chaque comté ou district par où doit passer le chemin de fer ou le canal dont la constitution est projetée;

2. Une compagnie de télégraphe ou de téléphone—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire dans lequel la compagnie se propose d'exercer des opérations;

3. Une compagnie ayant pour objet l'exécution d'entreprises dont l'exécution ou l'exploitation pourrait spécialement affecter une localité particulière, ou cherchant à obtenir des droits ou privilèges exclusifs ou voulant accomplir toute affaire ou chose dont l'accomplissement affecterait les droits ou propriétés d'autrui—dans un des principaux journaux de l'endroit ou des endroits particuliers que le projet de loi peut affecter;

4. Une compagnie de banque; compagnie d'assurance; compagnie fiduciaire; compagnie de prêt ou compagnie industrielle, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement.

5. Et si les entreprises d'une compagnie (constituée ou à constituer) doivent être déclarées d'utilité publique au Canada, cette intention doit être expressément mentionnée dans l'avis, et les requérants doivent adresser une copie de cet avis, sous pli recommandé, au secrétaire de chaque conseil de comté et de chaque corporation municipale pouvant être particulièrement affectée par l'exécution ou l'exploitation de ces entreprises, ainsi qu'au secrétaire de la province dans laquelle ces entreprises sont ou peuvent être situées; et la preuve de l'observation de cette prescription par les requérants doit être établie par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier une loi existante:

1. Afin de prolonger une ligne de chemin de fer ou un canal ou de construire des embranchements qui s'y relient—l'avis doit être le même *mutatis mutandis* que celui pour l'obtention d'une loi constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres entreprises déjà autorisées—dans un des principaux journaux de l'endroit où la compagnie a ou est autorisée à avoir son siège social;

3. Afin d'élargir les pouvoirs d'une compagnie (sans porter attribution de droits exclusifs); d'accroître ou de réduire le capital social d'une compagnie; ou d'augmenter ou modifier son pouvoir d'émettre des obligations ou ses autres pouvoirs d'emprunt; ou de présenter un amendement pouvant porter atteinte aux droits ou aux intérêts des actionnaires, des détenteurs d'obligations ou des créanciers de la compagnie—dans un des principaux journaux du lieu de son siège social.

(C) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, doivent être publiés au moins une fois par semaine pendant quatre semaines consécutives; et lorsqu'ils sont publiés dans les provinces de Québec et du Manitoba, ils doivent être en langues anglaise et française.

Des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis doivent être adressés au greffier du Sénat et porter la mention: "Avis de bill privé"; au lieu de journaux, une déclaration statutaire attestant que l'avis a été régulièrement publié peut être adressée au greffier du Sénat.

Tout avis adressé sous pli recommandé doit être mis à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale deux semaines au moins avant l'examen de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait de la mise à la poste doit être transmise au greffier du Sénat.

108. Nulle pétition demandant la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal ou le prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, ne doit être étudiée par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé de l'entreprise, ainsi que chaque comté, canton, district ou municipalité par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement dont la construction est projetée.

110. Toute pétition tendant à obtenir un bill privé ne sera reçue par le Sénat que si elle a été déposée chez le greffier du Sénat au cours des six premières semaines de la session; et tout bill privé introduit au Sénat doit être présenté au Sénat dans un délai de deux semaines après que l'examineur des pétitions ou le comité des ordres permanents aura fait un rapport favorable à la pétition se rapportant à ce bill; et aucune motion demandant la suspension du présent ordre permanent ne sera prise en considération à moins que le comité des ordres permanents n'ait au préalable présenté un rapport recommandant pareille suspension.

114. Toute personne qui désire présenter un bill privé doit remettre au greffier du Sénat, s'il est projeté que le bill prenne naissance au Sénat, une copie du bill en anglais ou en français, avec un montant suffisant pour en payer la traduction, laquelle sera faite par les fonctionnaires du Sénat; elle doit aussi payer les frais d'impression de 600 exemplaires anglais et de 200 exemplaires français. Le requérant doit pareillement verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant sa mise à l'étude par le comité auquel il est renvoyé, la somme de deux cents dollars avec les frais d'impression de la loi pour l'incorporer dans les Statuts; et il doit remettre au greffier de ce comité un reçu de ce versement.

La taxe à acquitter lors de la deuxième lecture d'un bill n'est payée qu'à la Chambre où le bill est présenté.

Modèle d'un bill amendant une loi

60A.—(1) Dans la confection des bills amendant des textes législatifs existants, les amendements ne doivent pas ordinairement être effectués au moyen de clauses qui ajoutent, retranchent ou remplacent des mots, mais au moyen de clauses qui rééditent l'article, le paragraphe ou la disposition, telle qu'amendée.

(2) Dans le texte du bill sur la page de gauche, le nouveau texte doit être indiqué par les signes

typographiques les plus appropriés à chaque cas: crochets, italiques, texte souligné, astérisques, etc. En regard de chaque clause, sur la page de droite, le texte amendé par le bill ou la partie importante de ce texte doit être imprimé, et les changements projetés doivent y être indiqués de la manière prévue ci-dessus.

(3) Lorsqu'une clause abroge un article existant, un paragraphe ou une autre disposition d'un article, cet article, ce paragraphe ou cette autre disposition, ou la partie qui en est importante, doit être imprimé en regard de la clause.

(4) Un mémoire du rédacteur expliquant brièvement les motifs de chaque clause doit être annexé au bill, ou distribué avec le bill. Lorsque possible, le mémoire doit être imprimé sur la page de droite du bill, en paragraphes placés en regard des clauses visées, et portant un numéro correspondant.

(5) Les règles ci-dessus s'appliquent, autant que possible, à la réimpression des bills.

L. C. MOYER,

Greffier du Sénat.

CHAMBRE DES COMMUNES

EXTRAIT DU RÈGLEMENT DE LA CHAMBRE DES COMMUNES TOUCHANT LA PUBLICATION DES AVIS

95. (1) Toute pétition introductive de bill privé de quelque nature qu'il soit, doit être annoncé par avis publié dans la *Gazette du Canada*. Cet avis doit exposer clairement et distinctement la nature et l'objet du bill projeté; il doit être signé par les pétitionnaires ou en leur nom, avec indication de l'adresse des signataires. Si la pétition tend à une loi de constitution en corporation, l'avis doit mentionner le nom de la compagnie projetée. Si les travaux d'une compagnie, qu'elle soit constituée en corporation ou qu'il s'agisse de la constituer en corporation doivent être reconnus comme étant destinés à profiter au Canada d'une manière générale, l'avis doit énoncer cette intention expressément, et les pétitionnaires doivent faire parvenir une copie de cet avis par lettre recommandée au secrétaire de chaque comté ou municipalité que la construction ou la mise en œuvre de ces ouvrages peut intéresser, ainsi qu'au secrétaire de la province où ces mêmes ouvrages sont ou pourront être situés. Tout avis ainsi expédié par lettre recommandée doit être mis à la poste assez tôt pour arriver à destination au moins deux semaines avant la prise en considération du bill par le comité auquel il peut être renvoyé. La preuve que les requérants se sont conformés à cette règle s'établit au moyen d'une déclaration statutaire.

(2) Outre l'avis devant figurer dans la *Gazette du Canada*, il doit en être publié un semblable dans quelque journal important, comme suit:

(A) 1. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de chemin de fer ou de canal; cet avis similaire doit être publié dans la principale cité, ville ou municipalité de village de chaque comté ou district que doit traverser le chemin de fer ou le canal projeté;

2. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de télégraphe ou de téléphone, cet avis similaire doit être publié dans la principale cité ou ville de chaque province ou territoire où la compagnie en question se propose d'établir son service;

3. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie créée en vue de la construction de tous ouvrages dont l'établissement ou la mise en œuvre pourrait intéresser tout particulièrement une localité quelconque, ou en vue de tous droits ou privilèges exclusifs, ou encore en vue de toute opération qui pourrait porter atteinte aux droits ou aux biens d'autrui, cet avis similaire doit être publié dans les diverses localités où la loi projetée pourrait porter atteinte aux affaires, droits ou biens d'autres personnes ou compagnies;

4. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation un établissement bancaire, une compagnie d'assurance, une compagnie de fiducie, une compagnie de prêts ou une compagnie industrielle non dotée de pouvoirs exclusifs, il suffit d'un avis dans la *Gazette du Canada*.

(B) 1. Lorsque la pétition a pour objet de modifier une loi existante en vue de prolongement de tout chemin de fer ou canal ou de la construction d'un embranchement de voie ferrée ou de canal, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité, ville ou municipalité de village de chaque comté ou district devant être desservi par ce prolongement ou cet embranchement.

2. Lorsque la pétition a pour objet de modifier une loi existante en vue de prorogation du délai fixé pour la construction ou l'achèvement de toute ligne de chemin de fer, de tout embranchement ou prolongement de ligne de chemin de fer, de tout canal, de tout réseau télégraphique ou téléphonique, ou de tout ouvrage déjà autorisé, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité ou ville de chaque district intéressé.

3. Lorsque la pétition a pour objet de modifier une loi existante en vue de la continuation d'une charte ou de l'extention des pouvoirs d'une compagnie (quand elle ne comporte pas la concession de droits exclusifs); ou en vue de l'augmentation ou de la réduction du capital-actions d'une compagnie quelconque; ou en vue de l'accroissement ou de la modification de sa faculté d'émettre des obligations ou de contracter des emprunts d'un autre genre; ou encore en vue de toute modification touchant aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, il est publié un avis à l'endroit où est situé le siège social de la compagnie ou à l'endroit où la compagnie est autorisée à établir son siège social.

(C) Lorsque la pétition a pour objet d'obtenir, pour quelque personne ou corporation existante, des droits ou privilèges exclusifs, ou encore la faculté d'accomplir une chose dont la mise en œuvre intéresserait les droits ou biens d'autrui, il est publié un avis dans les localités où les affaires, les droits ou les biens d'autrui peuvent être spécialement compromis par la loi projetée.

(3) Tout avis de ce genre, qu'il soit inséré dans la *Gazette du Canada* ou dans un journal, doit être publié au moins une fois par semaine durant une période de quatre semaines consécutives. Lorsque la pétition prend naissance dans la province de Québec ou dans la province du Manitoba, l'avis en doit être publié en anglais dans un journal anglais et en français dans un journal français, ainsi qu'en anglais et

en français dans la *Gazette du Canada*. S'il n'y a pas de journal dans la localité où il faut annoncer ladite pétition, l'avis doit être publié à l'endroit le plus rapproché où est imprimé un journal. La preuve que l'avis en question a été dûment publié s'établit, dans chaque cas, par voie de déclaration statutaire. Toute déclaration de cette nature doit être envoyée au greffier de la Chambre, et elle doit porter au dos l'indication: "Avis de bill privé".

Pétitions introductives de bills privés

92. Nulle pétition introductive de bill privé n'est reçue par la Chambre, si elle n'est pas présentée dans les six premières semaines de la session. Tout bill privé prenant naissance à la Chambre des communes doit y être présenté dans les deux semaines qui suivent le jour où la pétition a été rapportée favorablement par l'examineur des pétitions ou par le comité du Règlement. Nulle motion portant suspension du présent article ne peut être accueillie à moins que le comité du Règlement n'ait préalablement présenté un rapport recommandant cette suspension, en y consignant les motifs de sa décision.

97. Nulle pétition portant constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie se proposant d'exploiter un canal, ou portant prolongement d'une ligne de chemin de fer ou d'un canal existant ou autorisé, ou portant construction d'un embranchement de voie ferrée ou de canal, ne sera prise en considération par l'examineur, ou par le comité du Règlement, tant qu'il n'aura pas été déposé entre les mains dudit examinateur une carte ou un plan indiquant l'endroit où se trouveront ces ouvrages, et chaque comté, canton, municipalité ou district à travers lequel le chemin de fer, le canal, le prolongement ou l'embranchement projeté doit être construit.

Bills privés

93. (1) Quiconque désire obtenir un bill privé doit déposer entre les mains du greffier de la Chambre, au plus tard le premier jour de la session, une copie de ce bill en anglais ou en français, ainsi qu'une somme suffisante pour en défrayer la traduction qui est faite par le personnel de la Chambre, et l'impression, qui est exécutée par le département des impressions publiques.

(2) Le promoteur d'un bill privé doit, après la deuxième lecture de ce bill et avant sa prise en considération par le comité qui en est saisi, défrayer l'impression de la loi dans le recueil des statuts et payer un droit de cinq cents dollars.

FRAIS ADDITIONNELS

(3) En sus des frais précités, les droits suivants doivent être imposés et payés:

- | | |
|---|--------|
| a) Lorsqu'il y a suspension d'un article du Règlement relativement à un bill ou à la pétition introductive qui s'y rattache | \$ 100 |
| b) Lorsqu'un bill est présenté en Chambre après la huitième semaine et avant l'expiration de la douzième semaine de la session..... | 100 |
| c) Lorsqu'un bill est présenté en Chambre après la douzième semaine de la session | 200 |
| d) Lorsque le capital-actions projeté d'une compagnie ne dépasse pas \$250,000.... | 100 |
| e) Lorsque le capital-actions projeté d'une compagnie dépasse \$250,000, mais n'est pas supérieur à \$500,000..... | 200 |
| f) Lorsque le capital-actions projeté d'une compagnie dépasse \$500,000, mais n'est pas supérieur à \$750,000..... | 300 |

- g) Lorsque le capital-actions projeté d'une compagnie dépasse \$750,000, mais n'est pas supérieur à \$1,000,000..... 400
- h) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,000,000, mais n'est pas supérieur à \$1,500,000..... 600
- i) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,500,000, mais n'est pas supérieur à \$2,000,000..... 800
- j) Pour chaque million de dollars de capital-actions additionnel ou fraction de million 200

(4) Lorsqu'un bill porte augmentation du capital-actions d'une compagnie existante, le droit additionnel à déboursier est basé sur le tarif précité, et il n'y est fait état que du montant de l'accroissement.

(5) a) Lorsqu'un bill tend à l'augmentation de la faculté d'emprunt d'une compagnie ou en comporte l'augmentation sans qu'il y ait accroissement du capital-actions, le droit additionnel est de trois cents dollars.

b) Lorsqu'un bill porte augmentation à la fois du capital-actions et de la faculté d'emprunt d'une compagnie, le droit additionnel est perçu sur les deux.

(6) Si, à quelque phase du bill il y a augmentation du capital-actions projeté d'une compagnie ou de sa faculté d'emprunt, le bill en question ne peut franchir une autre étape tant que ses promoteurs n'auront pas soldé les frais occasionnés par cette modification.

(7) Dans la présente règle, l'expression "capital-actions projeté" comprend toute augmentation de capital-actions prévue par le bill; et quand le bill porte faculté d'augmenter à quelque époque le chiffre du capital-actions, le droit additionnel est calculé sur le maximum de l'augmentation projetée, dont le bill fait mention.

(8) Les droits additionnels établis par la présente règle s'appliquent aussi aux bills privés qui ont pris naissance au Sénat; néanmoins si la pétition introductive d'un bill privé de ce genre a été présentée à la Chambre des communes dans les six premières semaines de la session, les droits additionnels prévus aux alinéas b) et c) du paragraphe 3 ne sont pas exigibles.

Du bill-type

96. (1) Le greffier en chef des bills privés remplit les fonctions d'examineur des bills privés, et, comme tel, il est tenu d'étudier et de reviser tous les bills privés antérieurement à leur impression, en vue d'y établir une certaine uniformité, lorsque la chose est possible, et de s'assurer qu'ils ont été élaborés conformément aux articles du Règlement de la Chambre relatifs aux bills privés.

(2) Tout bill tendant à la constitution en corporation d'une compagnie doit, lorsqu'il a été adopté une formule de bill-type, être rédigé en conformité de ce modèle dont il peut être obtenu des exemplaires du greffier de la Chambre. Toute disposition d'un bill de ce genre qui n'est pas conforme au bill-type doit être insérée entre crochets ou soulignée, et elle doit être imprimée de la sorte.

(3) Lorsqu'un bill privé porte modification d'un article, paragraphe ou alinéa quelconque d'une loi existante, ce même article, paragraphe ou alinéa selon la modification que les auteurs du bill veulent y apporter, la nouvelle rédaction devant être soulignée. L'article, le paragraphe ou alinéa que les auteurs veulent faire abroger, ou encore ce qu'il renferme d'essentiel, doit être imprimé sur la feuille

du côté droit en regard de ce même article, paragraphe ou alinéa.

(4) Lorsqu'un bill privé tend à abroger un article, paragraphe ou autre partie d'un article, cet article, ce paragraphe ou cette autre partie, ou encore ce qui s'y trouve d'essentiel, doit être imprimé en regard de l'article du bill.

(5) Une note établissant brièvement l'objet d'une disposition d'un caractère exceptionnel ou dont la teneur s'écarte des dispositions du bill-type, ou des articles servant de modèle, doit être imprimée en regard de l'article du bill.

CARTE OU PLAN ACCOMPAGNANT LE BILL

98. Nul bill portant constitution en corporation d'une compagnie de chemin de fer ou de canal, nul bill tendant à faire autoriser la construction d'embranchements ou de prolongements se rattachant à des lignes de chemins de fer ou à des canaux existants, nul bill portant modification de la route suivie par un chemin de fer ou un canal exploité par une compagnie déjà constituée en corporation ne doit être pris en considération par le comité des chemins de fer tant qu'il n'aura pas été produit devant ledit comité, au moins une semaine avant la prise en considération du bill, une carte ou un plan établi sur une échelle d'au moins un demi-pouce au mille indiquant le territoire sur lequel il est question de construire les ouvrages projetés et aussi les ouvrages analogues qui y ont déjà été construits ou autorisés, ou qui intéressent la région ou la partie de région devant être desservie par les services projetés. Cette carte ou ce plan doit porter la signature de l'ingénieur ou de toute autre personne qui l'a dressé.

THE TARIFF BOARD

THE following declarations dated March 16, 1950, have been made by the Tariff Board on Appeals under The Customs Act:

Appeal No. 200

by Mendelssohn Brothers Limited, Montreal, P.Q., from a ruling of the Department of National Revenue that Section 38(2) of The Customs Act applies in the case of certain importations of fur felt hoods from Italy by Henry Pollak Inc.

This Appeal relates to a transaction in fur felt hoods of Italian origin. The appellant, a non-

resident firm doing business in Canada, contends that his status is that of an importer. The respondent holds that the transaction is one of goods shipped "on consignment" and, as such, subject to the provisions of Section 38 of The Customs Act.

The facts relative to the particular importations at issue are not in dispute; indeed, it might be said that the essential facts are agreed.

The Board, after prolonged consideration of the evidence adduced, is of opinion that disposition of the Appeal rests upon *determination* by the Board of questions of law and not merely upon consideration of the state of the law on the subject.

It has been held by the Supreme Court of Canada that the Tariff Board has not the authority to de-

termine questions of law as distinct from questions of fact, even though in reaching decisions it must take cognizance of the law. Accordingly, the Board declares that a decision in this Appeal is not within its competence.

Appeal No. 206

by Whites Hardware Limited, Toronto, from a ruling of the Department of National Revenue, that Mossberg .22 calibre rifles, models 141M and 152, imported under Toronto, Customs Entries Nos. 76372J, October 24, 1949 and 41572K, July 18, 1949, are of a class or kind made in Canada.

Tariff Item 441e reads as follows:

"Guns and rifles of a class or kind not made in Canada."

This is construed to mean "guns and rifles of a class or of a kind not made in Canada."

Dictionary definitions of the word "class" indicate that it is used both for very broad and for very narrow designations, but in the context in which it is used in tariff item 441e it appears to be more or less synonymous with "kind". Consequently, in interpreting this item the Board has taken cognizance of the more precise designation "kind". Auto-loading rifles are of a kind not made in Canada.

Accordingly, the Appeal is allowed.

JAMES R. MCGREGOR,

12-1 Secretary.

THE TARIFF BOARD

THE following declaration dated March 16, 1950, has been made by the Tariff Board on an Appeal under The Customs Act:

Appeal No. 208

by Babson Bros. Co. (Canada) Ltd., Toronto from a ruling of the Department of National Revenue that milker parlor stalls and parts (end post and brace assembly, raising and lowering devices, and feed boxes) imported under Leamington Customs Entry No. 1052, dated October 11, 1949, are dutiable under tariff item 446a instead of tariff item 409f.

The commodity referred to is what might be termed a milking-unit, being comprised of a specially built and equipped stall to which the cow is brought from a loafing-pen, for milking. It has been ruled by the Customs authorities to be a "manufacture of iron or steel, n.o.p.," whereas the appellant contends that it should be admitted as one of "all other agricultural implements, n.o.p."

Having in mind the wealth of precedent in connection with the interpretation of the phrase "agricultural implements" as used in the Customs Tariff, and even after considering the rather elastic connotation that may attach to the word "implement" in dictionary definitions, the Board is unable to rule that the milker-stall under reference is an "agricultural implement, n.o.p." as the words occur in tariff item 409f.

Accordingly, the Appeal is dismissed.

H. B. McKINNON,
Chairman.
F. J. LEDUC,
Vice-Chairman.

Concurring Judgment:

While I must concur in the judgment of the Board, it appears to me to be evident that Parliament intended equipment and apparatus which is designed and normally used for agricultural purposes to be dutiable under tariff item 409. As evidence of this intent there are to be found under tariff item 409

such articles as brooder stoves, windmills, fruit and vegetable washing machines, egg graders, et cetera, which are neither agricultural machinery nor agricultural implements in the ordinary sense of these words. Indeed, much apparatus which has a purely agricultural application cannot properly be described as agricultural implements or agricultural machinery, n.o.p., and, therefore, cannot be dutiable under tariff item 409f. In my view the evident intent of Parliament would be more nearly expressed if item 409f were amended to read:

... agricultural and all other agricultural apparatus, implements or agricultural machinery, n.o.p., and complete parts of all the foregoing.

W. W. BUCHANAN,

Member.

JAMES R. MCGREGOR,

Secretary.

THE TARIFF BOARD

THE following declaration dated March 16, 1950, has been made by the Tariff Board on an Appeal under The Customs Act:

Appeal No. 199

by Canadian Wine Institute, Niagara Falls, from a ruling of the Department of National Revenue that still wines of the fresh grape, whether sweet or dry, including sacramental wines, when containing thirty-two per centum or less of proof spirit, are dutiable under tariff item Ex. 162.

The importation which provided the basis of this Appeal consisted of six bottles of sherry wine, imported under Customs Entry No. 30422, Niagara Falls, January 27, 1950, which the Customs authorities held admissible under tariff item Ex. 162, reading as follows:

Vermouth, aperitif and cordial wines, containing thirty-two per cent or less of proof spirit, whether imported in wood or in bottles. . .

The appellant contends that the wine imported is not properly classifiable under tariff item Ex. 162, which item, he further contends, should not be construed as applicable to "sherry, port or sacramental wines which have nothing added to them."

Tariff items Ex. 162 and Ex. 163—derived, respectively, from tariff items 162 and 163—were created during trade negotiations held at Geneva in 1947 and both have been provisionally effective since January 1, 1948.

Tariff item 162 covers "medicinal or medicated wines, including vermouth and ginger wines, containing not more than forty per cent of proof spirit" whereas the Geneva excerpt therefrom (item Ex. 162) reads as above quoted.

Tariff item 163 covers "wines of all kinds, n.o.p. . . containing 26 per cent or less of proof spirit," with provision for additional duty for each degree of proof spirit above 26 to a maximum proof of 40 per cent. The Geneva excerpt from this item (item Ex. 163) reads as does the parent item (163) except that the proof spirit content is restricted to "twenty-four per cent or less."

Prior to the Geneva negotiations, tariff item 162 was regarded as being, in general, the "vermouth and medicated wine" item, whereas tariff item 163 was regarded as being, in general, a classification relative to table wines (not sparkling).

The Board is not of opinion that the part (item Ex. 162) can be greater than the whole (item 162); in other words, the derived item cannot be construed, despite its modified wording, to embrace table wines which were not covered by the parent item.

Accordingly, the Appeal is allowed.

JAMES R. MCGREGOR,

Secretary.

Notice for Private Bills

EXTRACTS FROM THE STANDING RULES OF THE SENATE

107. All applications to Parliament for Private Bills, of any nature whatsoever, shall be advertised by a notice published in the *Canada Gazette*. Such notice shall clearly and distinctly state the nature and object of the application, and shall be signed by or on behalf of the applicants, with the address of the party signing the same; and when the application is for an Act of Incorporation, the name of the proposed company shall be stated in the notice. In addition to the notice in the *Canada Gazette* aforesaid, a similar notice shall be given as follows:

A. When the application is for an Act to incorporate,—

1. *A Railway or Canal Company.*—In some leading newspaper published in the principal city, town or village in each county or district through which the proposed railway or canal is to be constructed.

2. *A Telegraph or Telephone Company.*—In a leading newspaper in the principal city or town in each province or territory in which the company proposes to operate.

3. *A company for the construction of any works* which in their construction or operation might specially affect a particular locality or for obtaining any exclusive rights or privileges, or for doing any matter or thing which in its operation would affect the rights or property of others.—In a leading newspaper in the particular locality or localities which may be affected by the proposed Act.

4. *A Banking Company; an Insurance Company; a Trust Company; a Loan Company or an Industrial Company,* without any exclusive powers.—In the *Canada Gazette* only.

5. And, if the works of any company (incorporated or to be incorporated) are to be declared to be for the general advantage of Canada, such intention shall be specially mentioned in the notice; and the applicants shall cause a copy of such notice to be sent by registered letter to the clerk of each county council and of each municipal corporation which may be specially affected by the construction or operation of such works, and also, to the Secretary of the Province in which such works are, or may be located; and proof of compliance with this requirement by the applicants shall be established by statutory declaration.

B. When the application is for the purpose of amending an existing Act,—

1. For an extension of any line of railway, or of any canal; or for the construction of branches thereto.—The same *mutatis mutandis* as for an Act to incorporate a Railway or Canal Company.

2. For an extension of the time for the construction or completion of any line of railway, or of any canal, or of any telegraph or telephone line, or of any other works already authorized.—In a principal newspaper in the place where the head office of the company is, or is authorized to be.

3. For the extension of the powers of a company (when not involving the granting of any exclusive rights) or for the increase or reduction of the capital stock of any company; or for increasing or altering its bonding or other borrowing powers; or for any amendment which would in any way affect the rights or interest of the shareholders or bondholders or creditors of the company.—In a principal newspaper in the place where the head office of the company is situated.

C. All such notices, whether inserted in the *Canada Gazette* or in a newspaper, shall be published at least once a week for a period of four consecutive weeks; and when published in the Provinces of Quebec and Manitoba shall be in both the English and French languages; and *marked copies* of each issue of all newspapers containing any such notice shall be sent to the Clerk of the Senate, endorsed "Private Bill Notice", or a statutory declaration as to due publication may be sent in lieu thereof.

Every notice by registered letter shall be mailed in time to reach the Secretary of the Province and the clerk of each county council and municipal corporation not less than two weeks before the consideration of the petition by the Committee on Standing Orders; and a statutory declaration establishing the fact of such mailing shall be sent to the Clerk of the Senate.

108. No petition praying for the incorporation of a Railway Company, or of a Canal Company, or for an extension of the line of any existing or authorized railway or canal, shall be considered by the Standing Orders Committee, until there has been filed with the Committee a map or plan, showing the proposed location of the works, and each county, township, district or municipality through which the proposed railway or canal, or any branch or extension thereof, is to be constructed.

110. Petitions for private bills shall only be received by the Senate if filed with the Clerk of the Senate within the first six weeks of the Session, and every private bill originating in the Senate shall be presented to the Senate within two weeks after the petition therefor has been favourably reported upon by the examiner of petitions or by the Committee on Standing Orders, and no motion for the suspension of this standing order shall be entertained unless a report has been first made by the Committee on Standing Orders recommending such suspension.

114. Any person seeking to obtain a Private Bill shall deposit with the Clerk of the Senate, if it is intended that the Bill shall originate in the Senate, a copy of such Bill in the English or French language, with a sum sufficient to pay for the translation of the same by the officers of the Senate, and the printing of 600 copies in English and 200 in French. The applicant shall also pay the Clerk of the Senate, immediately after second reading and before consideration of the Bill by the Committee to which it is referred, a sum of \$200, with the cost of printing the Act in the Statutes, and lodge the receipt for the same with the Clerk of such Committee.

The fee payable on the second reading of any Private Bill is paid only in the House in which it is introduced.

Form of a Bill to Amend an Act

60A. (1) In the preparation of Bills amending existing enactments the amendments shall not ordinarily be made by clauses which add or leave out words or substitute words for others, but by clauses which re-enact the section, subsection or other minor division, as it is amended.

(2) In the text of the Bill, on the left hand page, new matter shall be indicated by such typographical means as may best suit the varying circumstances of each case, such as brackets, italics, underlining, asterisks, etc. Opposite each clause, on the right hand page, the enactment amended thereby, or so much thereof as is essential, shall be printed with the proposed changes to be made therein similarly indicated.

(3) When a clause repeals an existing section, subsection or other minor division of a section, that section, subsection or division, or so much thereof as is essential, shall be printed opposite the clause.

(4) A memorandum by the draftsman explaining briefly the reason for each clause, shall be appended to the Bill, or distributed therewith. Whenever practicable the memorandum shall be printed on the right hand page of the Bill, in paragraphs opposite the clause referred to and numbered correspondingly.

(5) The above rules shall also as far as practicable apply to the reprinting of Bills.

L. C. MOYER,
Clerk of the Senate.

AVIS DU GOUVERNEMENT

LA COMMISSION DU TARIF

LA Commission du Tarif a rendu les décisions suivantes, le 16 mars 1950, en vertu de la *Loi des Douanes*:

Appel n° 200—

interjeté par Mendelssohn Brothers Limited, de Montréal, au sujet d'une décision du ministère du Revenu national selon laquelle l'article 38(2) de la *Loi des douanes* s'applique à certaines "Coiffes feutrées fourrure" importées d'Italie par Henry Pollak Inc.

Cet appel traite d'un mouvement de cloches en feutre-de-fourrure d'origine italienne. L'appelant, société non-résidente faisant des affaires au Canada, prétend qu'elle a le statut d'un importateur. Le répondant soutient que la transaction se rapporte à des effets expédiés "en consignment" et qu'à ce titre elle tombe sous les dispositions de l'article 38 de la *Loi des Douanes*.

Les faits relatifs aux importations en cause ne sont pas contestés; on peut même dire que les faits essentiels sont admis.

Après étude approfondie des témoignages, la Commission est d'avis qu'elle ne peut statuer sur cet appel parce qu'il dépend de l'interprétation d'une question de droit, et non pas simplement de l'interprétation d'une loi positive.

La Cour Suprême du Canada a soutenu que la Commission du Tarif n'a pas les attributions voulues pour trancher des questions de droit indépendantes de questions de fait, même si elle doit s'inspirer de la loi en formulant ses décisions. En conséquence, la Commission déclare qu'elle ne se reconnaît pas la compétence voulue pour rendre jugement en cette cause.

Appel n° 206—

interjeté par Whites Hardware Limited, de Toronto, d'une décision du ministère du Revenu national selon laquelle les carabines Mossberg, calibre 22, modèles 151-M et 152 (Déclarations de douane faites à Toronto: le n° 76372J du 24 octobre 1949, et le n° 41572K du 5 juillet 1949) sont d'une catégorie ou espèce fabriquée au Canada.

Le numéro 441e du tarif se lit comme suit:

"Fusils et carabines d'une catégorie ou espèce non fabriquée au Canada"

ce qui est censé signifier "fusils et carabines d'une catégorie ou d'une espèce non fabriquée au Canada."

Ce mot "catégorie" sert dans les dictionnaires à des désignations très larges, et très restreintes, mais le contexte du numéro 441 du tarif le rend à peu près synonyme d'"espèce". Dans l'interprétation de ce numéro, la Commission a donc préféré la désignation la plus précise: "espèce". Les fusils à chargement automatique ne sont pas d'une espèce fabriquée au Canada.

En conséquence, l'appel est maintenu.

Le Secrétaire,

12-1

JAMES R. MacGREGOR.

LA COMMISSION DU TARIF

LA Commission du Tarif a rendu la décision suivante, le 16 mars 1950, en vertu de la *Loi des Douanes*:

Appel n° 208—

interjeté par Babson Brothers Company (Canada) Limited, de Toronto, qui en appellent d'une décision du ministère du Revenu national selon laquelle les stalles de vacherie et pièces (montants et armatures, dispositifs de levage et d'abaissement, et mangeoires) importées (déclarations de douanes n° 1052, faites à Leamington le 22 septembre 1949) sont imposables en vertu du numéro du Tarif 446a plutôt qu'en vertu du numéro 409f.

L'article en question constitue ce qu'on pourrait appeler une "cage pour la traite". Il comprend une stalle construite et équipée de façon spéciale et dans laquelle on amène une vache du parc d'exercice pour la traite. L'administration des Douanes a décidé qu'il s'agissait d'un ouvrage en fer ou en acier, n.d., tandis que l'appelant prétend que cet article est admissible comme "autre instrument agricole, n.d."

Tout en se rappelant le grand nombre de précédents établis à l'égard de l'interprétation du terme "instrument agricole" employé dans le tarif des douanes, la Commission, même après s'être pénétrée du sens plutôt élastique que comporte le mot "instrument" dans les dictionnaires, ne peut assimiler la stalle à l'étude à "un instrument agricole n.d." en tenant compte de la signification des mots du numéro tarifaire 409f.

Par conséquent, l'appel est rejeté.

Le Président,

H. B. McKINNON,

Le Vice-président,

F. J. LEDUC.

Approbation du jugement:

Bien que je me rallie au jugement de la Commission, il me semble que le Parlement ait voulu que le matériel et les appareils destinés et servant normalement à des fins agricoles soient imposables sous l'empire du numéro tarifaire 409 et ses sous-positions. A l'appui de cette thèse, on trouve dans le numéro 409 du Tarif et ses sous-positions des articles comme des poêles d'éleveuses, des moulins à vent, des machines à laver les fruits et les légumes et des machines à classer les œufs, etc.—qui ne sont ni des machines agricoles ni des instruments aratoires au sens ordinaire de ces mots. A la vérité, bien des appareils d'emploi purement agricole ne peuvent être à juste titre désignés sous le nom d'instruments aratoires ou de machines agricoles, n.d.; donc, ils ne sont pas imposables selon le numéro tarifaire 409f. A mon sens l'intention manifeste du Parlement serait plus correctement exprimée si le numéro 409f était modifié de façon à se lire ainsi:

...appareils et matériel agricoles ou machines aratoires, n.d., et pièces achevées de ces articles.

Un membre de la Commission,

W. W. BUCHANAN.

Le Secrétaire,

12-1

JAMES R. MacGREGOR.

LA COMMISSION DU TARIF

LA Commission du Tarif a rendu les décisions suivantes, le 16 mars 1950, en vertu de la *Loi des Douanes*:

Appel n° 199—

interjeté par Canadian Wine Institute, de Niagara-Falls, au sujet d'une décision du ministère du Revenu national à l'effet que le vin non

mousseux, sucré ou sec, fait avec des raisins frais—y compris le vin employé pour fins sacramentelles—ne titrant pas plus de 32 p. 100 d'esprit preuve, est impossible en vertu du numéro Ex 162 du Tarif.

L'importation qui a fait l'objet de cet appel consiste en six bouteilles de sherry déclarées à la douane sous le numéro 30422, à Niagara-Falls, le 27 janvier 1950, importation que l'administration des Douanes a jugée admissible au régime tarifaire du numéro Ex 162, qui se lit ainsi :

Vermouth, vins apéritifs et cordiaux ne titrant pas plus de 32 p. 100 d'esprit de preuve, importés en cercles ou en bouteilles...

L'appelant prétend que le vin importé ne doit pas être classé dans la position tarifaire Ex 162 qui, à son dire, ne doit pas être interprété comme étant applicable au "sherry, au porto, ou aux vins employés pour fins sacramentelles, auxquelles on n'a rien ajouté."

Les numéros tarifaires Ex 162 et Ex 163, tirés respectivement des numéros 162 et 163 du tarif, ont été créés au cours des négociations commerciales tenues à Genève en 1947 et ont été tous les deux en vigueur provisoirement depuis le 1er janvier 1948.

Le numéro tarifaire 162 vise les "vins médicinaux ou médicamenteux, y compris le vermouth et le vin de gingembre, ne titrant pas plus de 40 d'esprit preuve" tandis que l'extrait tiré à Genève (position Ex 162), est conçu dans les termes qui figurent ci-haut.

Le numéro tarifaire 163 vise les "vins de toutes sortes, n.d.... titrant 26 p. 100 ou moins d'esprit preuve", et il porte une disposition prévoyant un droit supplémentaire pour chaque degré d'esprit preuve dépassant 26, jusqu'à concurrence de 40 p. 100. L'extrait de Genève (position Ex 163) est couché dans le même langage que le numéro 163, sauf que la teneur en esprit preuve est ramenée à "24 p. 100 ou moins".

Avant les négociations de Genève, le numéro tarifaire 162 était considéré comme étant en général la position qui visait "*le vermouth et les vins médicamenteux*" tandis que le numéro tarifaire 163 était regardé comme étant en général une position englobant les *vins de table* (non mousseux).

La Commission n'est pas d'avis que la partie (n° Ex 162) peut être plus grande que le tout (n° 162); en d'autres termes, la position extraite ne peut être interprétée, malgré la modification de son libellé, comme comprenant les vins de table non visés par la position tarifaire dont il a été tiré.

Conséquemment, l'appel est admis.

Le Secrétaire,

12-1

JAMES R. MacGREGOR.

Avis de bills privés

107. Toute demande adressée au Parlement pour obtenir un bill privé doit être annoncée par avis publié dans la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et désigner l'adresse des signataires; et si la demande a pour objet l'obtention d'une loi en constitution de corporation, l'avis doit aussi mentionner le nom de la compagnie dont la constitution est projetée.

Outre l'avis dans la *Gazette du Canada*, comme susdit, pareil avis doit être donné de la façon suivante:

(A) Lorsque la demande a pour objet l'obtention d'une loi constituant en corporation:

1. *Une compagnie de chemin de fer ou de canal*—dans un des principaux journaux de la principale cité, ville ou village de chaque comté ou district par où doit passer le chemin de fer ou le canal dont la constitution est projetée;

2. *Une compagnie de télégraphe ou de téléphone*—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire dans lequel la compagnie se propose d'exercer des opérations;

3. *Une compagnie ayant pour objet l'exécution d'entreprises* dont l'exécution ou l'exploitation pourrait spécialement affecter une localité particulière, ou cherchant à obtenir des droits ou privilèges exclusifs ou voulant accomplir toute affaire ou chose dont l'accomplissement affecterait les droits ou propriétés d'autrui—dans un des principaux journaux de l'endroit ou des endroits particuliers que le projet de loi peut affecter;

4. *Une compagnie de banque; compagnie d'assurance; compagnie fiduciaire; compagnie de prêt ou compagnie industrielle*, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement.

5. Et si les entreprises d'une compagnie (constituée ou à constituer) doivent être déclarées d'utilité publique au Canada, cette intention doit être expressément mentionnée dans l'avis, et les requérants doivent adresser une copie de cet avis, sous pli recommandé, au secrétaire de chaque conseil de comté et de chaque corporation municipale pouvant être particulièrement affectée par l'exécution ou l'exploitation de ces entreprises, ainsi qu'au secrétaire de la province dans laquelle ces entreprises sont ou peuvent être situées; et la preuve de l'observation de cette prescription par les requérants doit être établie par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier une loi existante:

1. Afin de prolonger une ligne de chemin de fer ou un canal ou de construire des embranchements qui s'y relient—l'avis doit être le même *mutatis mutandis* que celui pour l'obtention d'une loi constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai pour la construction ou l'achèvement d'une ligne de chemin de fer,

d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres entreprises déjà autorisées—dans un des principaux journaux de l'endroit où la compagnie a ou est autorisée à avoir son siège social;

3. Afin d'élargir les pouvoirs d'une compagnie (sans comporter attribution de droits exclusifs); d'accroître ou de réduire le capital social d'une compagnie; ou d'augmenter ou modifier son pouvoir d'émettre des obligations ou ses autres pouvoirs d'emprunt; ou de présenter un amendement pouvant porter atteinte aux droits ou aux intérêts des actionnaires, des détenteurs d'obligations ou des créanciers de la compagnie—dans un des principaux journaux du lieu de son siège social.

(C) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, doivent être publiés au moins une fois par semaine pendant quatre semaines consécutives; et lorsqu'ils sont publiés dans les provinces de Québec et du Manitoba, ils doivent être en langues anglaise et française.

Des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis doivent être adressés au greffier du Sénat et porter la mention: "Avis de bill privé"; au lieu de journaux, une déclaration statutaire attestant que l'avis a été régulièrement publié peut être adressée au greffier du Sénat.

Tout avis adressé sous pli recommandé doit être mis à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale deux semaines au moins avant l'examen de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait de la mise à la poste doit être transmise au greffier du Sénat.

108. Nulle pétition demandant la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal ou le prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, ne doit être étudiée par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé de l'entreprise, ainsi que chaque comté, canton, district ou municipalité par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement dont la construction est projetée.

110. Toute pétition tendant à obtenir un bill privé ne sera reçue par le Sénat que si elle a été déposée chez le greffier du Sénat au cours des six premières semaines de la session; et tout bill privé introduit au Sénat doit être présenté au Sénat dans un délai de deux semaines après que l'examineur des pétitions ou le comité des ordres permanents aura fait un rapport favorable à la pétition se rapportant à ce bill; et aucune motion demandant la suspension du présent ordre permanent ne sera prise en considération à moins que le comité des ordres permanents n'ait au préalable présenté un rapport recommandant pareille suspension.

114. Toute personne qui désire présenter un bill privé doit remettre au greffier du Sénat, s'il est projeté que le bill prenne naissance au Sénat, une copie du bill en anglais ou en français, avec un montant suffisant pour en payer la traduction, laquelle sera faite par les fonctionnaires du Sénat; elle doit aussi payer les frais d'impression de 600 exemplaires anglais et de 200 exemplaires français. Le requérant doit pareillement verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant sa mise à l'étude par le comité auquel il est renvoyé, la somme de deux cents dollars avec les frais d'impression de la loi pour l'incorporer dans les Statuts; et il doit remettre au greffier de ce comité un reçu de ce versement.

La taxe à acquitter lors de la deuxième lecture d'un bill n'est payée qu'à la Chambre où le bill est présenté.

Modèle d'un bill amendant une loi

60A.—(1) Dans la confection des bills amendant des textes législatifs existants, les amendements ne doivent pas ordinairement être effectués au moyen de clauses qui ajoutent, retranchent ou remplacent des mots, mais au moyen de clauses qui réédient l'article, le paragraphe ou la disposition, telle qu'amendée.

(2) Dans le texte du bill sur la page de gauche, le nouveau texte doit être indiqué par les signes typographiques les plus appropriés à chaque cas: crochets, italiques, texte souligné, astérisques, etc. En regard de chaque clause, sur la page de droite, le texte amendé par le bill ou la partie importante de ce texte doit être imprimé, et les changements projetés doivent y être indiqués de la manière prévue ci-dessus.

(3) Lorsqu'une clause abroge un article existant, un paragraphe ou une autre disposition d'un article, cet article, ce paragraphe ou cette autre disposition, ou la partie qui en est importante, doit être imprimé en regard de la clause.

(4) Un mémoire du rédacteur expliquant brièvement les motifs de chaque clause doit être annexé au bill, ou distribué avec le bill. Lorsque possible, le mémoire doit être imprimé sur la page de droite du bill, en paragraphes placés en regard des clauses visées, et portant un numéro correspondant.

(5) Les règles ci-dessus s'appliquent, autant que possible, à la réimpression des bills.

L. C. MOYER,
Greffier du Sénat.

CHAMBRE DES COMMUNES

EXTRAIT DU RÈGLEMENT DE LA CHAMBRE DES COMMUNES TOUCHANT LA PUBLICATION DES AVIS

95. (1) Toute pétition introductive de bill privé de quelque nature qu'il soit, doit être annoncé par avis publié dans la *Gazette du Canada*. Cet avis doit exposer clairement et distinctement la nature et l'objet du bill projeté; il doit être signé par les pétitionnaires ou en leur nom, avec indication de l'adresse des signataires. Si la pétition tend à une loi de constitution en corporation, l'avis doit mentionner le nom de la compagnie projetée. Si les travaux d'une compagnie, qu'elle soit constituée en corporation ou qu'il s'agisse de la constituer en corporation doivent être reconnus comme étant destinés à profiter au Canada d'une manière générale, l'avis doit énoncer cette intention expressément, et les pétitionnaires doivent faire parvenir une copie de cet avis par lettre recommandée au secrétaire de chaque comté ou municipalité que la construction ou la mise en œuvre de ces ouvrages peut intéresser, ainsi qu'au secrétaire de la province où ces mêmes ouvrages sont ou pourront être situés. Tout avis ainsi expédié par lettre recommandée doit être mis

à la poste assez tôt pour arriver à destination au moins deux semaines avant la prise en considération du bill par le comité auquel il peut être renvoyé. La preuve que les requérants se sont conformés à cette règle s'établit au moyen d'une déclaration statutaire.

(2) Outre l'avis devant figurer dans la *Gazette du Canada*, il doit en être publié un semblable dans quelque journal important, comme suit:

(A) 1. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de chemin de fer ou de canal; cet avis similaire doit être publié dans la principale cité, ville ou municipalité de village de chaque comté ou district que doit traverser le chemin de fer ou le canal projeté;

2. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de télégraphe ou de téléphone, cet avis similaire doit être publié dans la principale cité ou ville de chaque province ou territoire où la compagnie en question se propose d'établir son service;

3. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie créée en vue de la construction de tous ouvrages dont l'établissement ou la mise en œuvre pourrait intéresser tout particulièrement une localité quelconque, ou en vue de tous droits ou privilèges exclusifs, ou encore en vue de toute opération qui pourrait porter atteinte aux droits ou aux biens d'autrui, cet avis similaire doit être publié dans les diverses localités où la loi projetée pourrait porter atteinte aux affaires, droits ou biens d'autres personnes ou compagnies;

4. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation un établissement bancaire, une compagnie d'assurance, une compagnie de fiducie, une compagnie de prêts ou une compagnie industrielle non dotée de pouvoirs exclusifs, il suffit d'un avis dans la *Gazette du Canada*.

(B) 1. Lorsque la pétition a pour objet de modifier une loi existante en vue de prolongement de tout chemin de fer ou canal ou de la construction d'un embranchement de voie ferrée ou de canal, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité, ville ou municipalité de village de chaque comté ou district devant être desservi par ce prolongement ou cet embranchement.

2. Lorsque la pétition a pour objet de modifier une loi existante en vue de prorogation du délai fixé pour la construction ou l'achèvement de toute ligne de chemin de fer, de tout embranchement ou prolongement de ligne de chemin de fer, de tout canal, de tout réseau télégraphique ou téléphonique, ou de tout ouvrage déjà autorisé, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité ou ville de chaque district intéressé.

3. Lorsque la pétition a pour objet de modifier une loi existante en vue de la continuation d'une charte ou de l'extension des pouvoirs d'une compagnie (quand elle ne comporte pas la concession de droits exclusifs); ou en vue de l'augmentation ou de la réduction du capital-actions d'une compagnie quelconque; ou en vue de l'accroissement ou de la modification de sa faculté d'émettre des obligations ou de contracter des emprunts d'un autre genre; ou encore en vue de toute modification touchant aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, il est publié un avis à l'endroit où est situé le siège social de la compagnie ou à l'endroit où la compagnie est autorisée à établir son siège social.

(C) Lorsque la pétition a pour objet d'obtenir, pour quelque personne ou corporation existante, des droits ou privilèges exclusifs, ou encore la faculté d'accomplir une chose dont la mise en œuvre interresserait les droits ou biens d'autrui, il est publié un avis dans les localités où les affaires, les droits ou les biens d'autrui peuvent être spécialement compromis par la loi projetée.

(3) Tout avis de ce genre, qu'il soit inséré dans la *Gazette du Canada* ou dans un journal, doit être publié au moins une fois par semaine durant une période de quatre semaines consécutives. Lorsque la pétition prend naissance dans la province de Québec ou dans la province du Manitoba, l'avis en doit être publié en anglais dans un journal anglais et en français dans un journal français, ainsi qu'en anglais et en français dans la *Gazette du Canada*. S'il n'y a pas de journal dans la localité où il faut annoncer ladite pétition, l'avis doit être publié à l'endroit le plus rapproché où est imprimé un journal. La preuve que l'avis en question a été dûment publié s'établit, dans chaque cas, par voie de déclaration statutaire. Toute déclaration de cette nature doit être envoyée au greffier de la Chambre, et elle doit porter au dos l'indication : "Avis de bill privé".

Pétitions introductives de bills privés

92. Nulle pétition introductive de bill privé n'est reçue par la Chambre, si elle n'est pas présentée dans les six premières semaines de la session. Tout bill privé prenant naissance à la Chambre des communes doit y être présenté dans les deux semaines qui suivent le jour où la pétition a été rapportée favorablement par l'examineur des pétitions ou par le comité du Règlement. Nulle motion portant suspension du présent article ne peut être accueillie à moins que le comité du Règlement n'ait préalablement présenté un rapport recommandant cette suspension, en y consignant les motifs de sa décision.

97. Nulle pétition portant constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie se proposant d'exploiter un canal, ou portant prolongement d'une ligne de chemin de fer ou d'un canal existant ou autorisé, ou portant construction d'un embranchement de voie ferrée ou de canal, ne sera prise en considération par l'examineur, ou par le comité du Règlement, tant qu'il n'aura pas été déposé entre les mains dudit examinateur une carte ou un plan indiquant l'endroit où se trouveront ces ouvrages, et chaque comté, canton, municipalité ou district à travers lequel le chemin de fer, le canal, le prolongement ou l'embranchement projeté doit être construit.

Bills privés

93. (1) Quiconque désire obtenir un bill privé doit déposer entre les mains du greffier de la Chambre, au plus tard le premier jour de la session, une copie de ce bill en anglais ou en français, ainsi qu'une somme suffisante pour en défrayer la traduction qui est faite par le personnel de la Chambre, et l'impression, qui est exécutée par le département des impressions publiques.

(2) Le promoteur d'un bill privé doit, après la deuxième lecture de ce bill et avant sa prise en considération par le comité qui en est saisi, défrayer l'impression de la loi dans le recueil des statuts et payer un droit de cinq cents dollars.

FRAIS ADDITIONNELS

(3) En sus des frais précités, les droits suivants doivent être imposés et payés :

a) Lorsqu'il y a suspension d'un article du Règlement relativement à un bill ou à la pétition introductive qui s'y rattache	\$ 100
b) Lorsqu'un bill est présenté en Chambre après la huitième semaine et avant l'expiration de la douzième semaine de la session.....	100
c) Lorsqu'un bill est présenté en Chambre après la douzième semaine de la session	200
d) Lorsque le capital-actions projeté d'une compagnie ne dépasse pas \$250,000....	100
e) Lorsque le capital-actions projeté d'une compagnie dépasse \$250,000, mais n'est pas supérieur à \$500,000.....	200
f) Lorsque le capital-actions projeté d'une compagnie dépasse \$500,000, mais n'est pas supérieur à \$750,000.....	300
g) Lorsque le capital-actions projeté d'une compagnie dépasse \$750,000, mais n'est pas supérieur à \$1,000,000.....	400

j) Pour chaque million de dollars de capital-actions additionnel ou fraction de million	200

(4) Lorsqu'un bill porte augmentation du capital-actions d'une compagnie existante, le droit additionnel à déboursier est basé sur le tarif précité, et il n'y est fait état que du montant de l'accroissement.

(5) a) Lorsqu'un bill tend à l'augmentation de la faculté d'emprunt d'une compagnie ou en comporte l'augmentation sans qu'il y ait accroissement du capital-actions, le droit additionnel est de trois cents dollars.

b) Lorsqu'un bill porte augmentation à la fois du capital-actions et de la faculté d'emprunt d'une compagnie, le droit additionnel est perçu sur les deux.

(6) Si, à quelque phase du bill il y a augmentation du capital-actions projeté d'une compagnie ou de sa faculté d'emprunt, le bill en question ne peut franchir une autre étape tant que ses promoteurs n'auront pas soldé les frais occasionnés par cette modification.

(7) Dans la présente règle, l'expression "capital-actions projeté" comprend toute augmentation de capital-actions prévue par le bill; et quand le bill porte faculté d'augmenter à quelque époque le chiffre du capital-actions, le droit additionnel est calculé sur le maximum de l'augmentation projetée, dont le bill fait mention.

(8) Les droits additionnels établis par la présente règle s'appliquent aussi aux bills privés qui ont pris naissance au Sénat; néanmoins si la pétition introductive d'un bill privé de ce genre a été présentée à la Chambre des communes dans les six premières semaines de la session, les droits additionnels prévus aux alinéas b) et c) du paragraphe 3 ne sont pas exigibles.

Du bill-type

96. (1) Le greffier en chef des bills privés remplit les fonctions d'examineur des bills privés, et, comme tel, il est tenu d'étudier et de reviser tous les bills privés antérieurement à leur impression, en vue d'y établir une certaine uniformité, lorsque la chose est possible, et de s'assurer qu'ils ont été éla-

borés conformément aux articles du Règlement de la Chambre relatifs aux bills privés.

(2) Tout bill tendant à la constitution en corporation d'une compagnie doit, lorsqu'il a été adopté une formule de bill-type, être rédigé en conformité de ce modèle dont il peut être obtenu des exemplaires du greffier de la Chambre. Toute disposition d'un bill de ce genre qui n'est pas conforme au bill-type doit être insérée entre crochets ou soulignée, et elle doit être imprimée de la sorte.

(3) Lorsqu'un bill privé porte modification d'un article, paragraphe ou alinéa quelconque d'une loi existante, ce même article, paragraphe ou alinéa selon la modification que les auteurs du bill veulent y apporter, la nouvelle rédaction devant être soulignée. L'article, le paragraphe ou alinéa que les auteurs veulent faire abroger, ou encore ce qu'il renferme d'essentiel, doit être imprimé sur la feuille du côté droit en regard de ce même article, paragraphe ou alinéa.

(4) Lorsqu'un bill privé tend à abroger un article, paragraphe ou autre partie d'un article, cet article, ce paragraphe ou cette autre partie, ou encore ce qui s'y trouve d'essentiel, doit être imprimé en regard de l'article du bill.

(5) Une note établissant brièvement l'objet d'une disposition d'un caractère exceptionnel ou dont la teneur s'écarte des dispositions du bill-type, ou des articles servant de modèle, doit être imprimée en regard de l'article du bill.
